Comment:

There are pressures exerted by America, the kafir countries and their agents. There is the submission by those who seized power in Damascus, sending many messages of reassurances to the kafir West about its interests, forgetting the constants of the revolution for which the revolutionaries set out from the beginning. The constants are to overthrow the regime with its constitution, and all its pillars and manifestations, cutting off the hands of the kafir countries and ending their influence in the region, and establishing the ruling by Islam, which was only achieved by the escape of the tyrant of the era. All of this confirms the necessity of continuing the work until the constants of the revolution are achieved, without regard to any forces except the Power of Allah (swt). Allah (swt) said, **﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾** **“Indeed, We will support Our messengers and those who believe during the life of this world and on the Day when the witnesses will stand.”** [TMQ Surah Al-Ghafir 51].

O our people and revolutionaries in ash-Sham, for Allah (swt), for Allah (swt), in your revolution. For Allah (swt), for Allah (swt), in your sacrifices. Do not accept that the revolution is hijacked at hands that have extended to the kafir West and its followers, instead of extending to Allah (swt). Trust in the glad tidings of your Prophet (saw) who said, **«أَلَا إِنَّ عُمْرَ دَارِ الْمُؤْمِنِينَ الشَّامَ»** **“Indeed, the heart of the abode of the believers is ash-Sham.”** Perhaps Allah (swt) will permit the greatest joy so that we may pledge allegiance to our Khaleefah (caliph) from the heart of Damascus. That is not difficult for Allah (swt).
