

O Hasina, How sad will you be on the Day of Resurrection If you do not Hasten to Save yourself from the Wrath of Allah!!

News:

In response to the arrest, detention, torture and imprisonment of two of its women members in Bangladesh, during their distribution of invitation cards to participate in an Islamic online conference that Hizb ut Tahrir arranged to hold under the title “Emerging Khilafah...The Inevitable Transformation of Bangladesh's Politics and Economy.”, the Central Media Office of Hizb ut Tahrir launched a campaign entitled “**Free Our Sisters From The Dungeons Of Bangladesh**” to create a public opinion on the corruption of the regime.

Comment:

Since Sheikha Hasina was inaugurated on the Presidency of the Government of Bangladesh for the second time in 2009, she opened the country's gates wide before its Indian allies; the sworn enemy of the people of Bangladesh, and gave them political, security and economic privileges. While she left her people to drown in extreme poverty, and workers given low wages, despite their ingenuity at work and the abundance of their production, working in factories that lack all the general safety; causing several incidents where buildings contain textile factories collapsed, and others caught fire that led to the death of nearly 1,200 people in addition to a large number of wounded.

By allowing the American company for oil and gas, ConocoPhillips, to explore in the Bay of Bengal, and for India to navigate in it, and by her silence on the refusal of the Bengali oil and gas company to buy its share of the gas from the British Kern company, to sell it to private companies, she has leased the bay out to America, Britain and India.

Although in her campaign she promised she will not be acting against Islam, her work in fighting against the sincere Muslims among Officers and Dawah carriers, under the pretext of the war on terrorism, shows the extent of her outrage against Islam and Muslims.

The years 2009 – 2010 had witnessed the worst kind of murder, detention and torture in the ranks of Muslims in Bangladesh. Thus, within a month of taking power, Hasina and her helpers cooperated with India in carrying out brutal massacre against the army officers, who she accused them of rebellion when they denounced her allegiance to the enemy. Then, the Dawah carriers from members of Hizb ut Tahrir were also not spared from her malice when they revealed the plot to the people, so she arrested 33 of them, then she followed them with ten others and wounded more than a hundred who marched in a protest to demand their release.

Even women were not spared of her spite; for she was not sufficed by the detention of three women under the pretext of their association with military action, but their veils were grabbed forcibly during their prosecution.

Instead of being apprehensive in the days of the Holy month of Ramadan, she ordered the police to arrest thirty of the Shabab of Hizb ut Tahrir following the Badr Victory rally in remembrance of the victory of the Islamic state against the Quraysh at the Battle of Badr. When she could not silence the Hizb's voice in speaking the truth, she banned its activities

and imposed house arrest on its Official Spokesman, his wife and his children. And several months later, she arrested him and his Deputy together with others, after their participating in a protest against the failure to resolve the water, gas and electricity crisis, which she had a hand in its occurrence, and on US military exercises in the country ...

Furthermore, she was not content by the massacre against the officers, but carried out the process of “cleansing” the entire army of all officers who stand beside Islam and the country's sovereignty and security.

And instead of granting victory to Rasulullah (saw) and Islam, and punish the Minister of Post and Telecommunications in the Government, Latif Siddiqui, because of his brazen remarks against the Prophet (saw), the police opened fire on protesters, deliberately wounding one member of Hizb ut Tahrir in his back and leg and left him lying on the ground bleeding.

Did not Hasina know that the kings of the earth on the Day of Resurrection are “Mamelukeen”, owned by Allah!! And all those who frightened the people or cut their throats will be humiliated before Allah on the Day of Resurrection.

﴿فَوَرَبِّكَ لَنَحْضُرَنَّهُمْ وَالشَّيَاطِينُ ثُمَّ لَنَحْضُرَنَّهُمْ حَوْلَ جَهَنَّمَ جِثِيًّا * ثُمَّ لَنَنْزِعَنَّ مِنْ كُلِّ شِيعَةٍ أَيُّهُمْ أَشَدُّ عَلَى الرَّحْمَنِ عِتِيًّا * ثُمَّ لَنَحْنُ أَعْلَمُ بِالَّذِينَ هُمْ أَوْلَىٰ بِهَا صِلِيًّا﴾

“So by your Lord, We will surely gather them and the devils; then We will bring them to be present around Hell upon their knees.* Then We will surely extract from every sect those of them who were worst against the Most Merciful in insolence.* Then, surely it is We who are most knowing of those most worthy of burning therein”. [Maryam: 68-70], and a painful punishment awaits them in the Hereafter.

﴿سَيُصِيبُ الَّذِينَ أَجْرَمُوا صَغَارٌ عِنْدَ اللَّهِ وَعَذَابٌ شَدِيدٌ بِمَا كَانُوا يَمْكُرُونَ﴾

“There will afflict those who committed crimes debasement before Allah and severe punishment for what they used to conspire”[Al-An’am: 124]

This is apart from the misery of what will inflict her the day she stands before the Court of the emerging Khilafah Rashidah on the method of the Prophethood, soon by Allah’s permission.

And By Allah, how sad will you be on the Day of Resurrection, O Hasina, for the punishment fits the crime.
