

Insulting Rasulallah (saw) is Unforgivable

News:

A press release entitled “Insulting Rasulallah is Unforgivable” organized by Hizb ut Tahrir in Wilayah Turkey took place in Sarachane Park, Fatih, Istanbul. Hundreds of Muslims attended the press release held after the Friday Prayer, in accordance with the pandemic regulations.

Comment:

As it will be remembered, the French humour/satirical magazine Charlie Hebdo published a cartoon in 2015 insulting the Messenger of Allah (saw). The day before the trial would take place, the French satirical magazine brought the cartoons which lead to reactions in the Islamic world, back to its cover after five years. At the same time, the magazine's editor-in-chief, Laurent Sourisseau, said, “We will never give up.”

Isn't it a great pain not to be able to claim our values as the Islamic Ummah? For about a century, we have been subjected to the same problems and we are unable to protect our values... the reason for this is nothing more than the silence of the rulers of the Islamic countries that encourages colonial infidels to insult our values.

Anytime when Muslims are subjected to a massacre, the persecution of the wrongdoers is hit, or the colonial infidels try to insult Islam and its values, our rulers undoubtedly do two things. First, they condemn. Second, they call the UN to take office. Our Messenger Rasulallah (saw) has been insulted, and as I have just stated, our rulers have condemned it again. Because the enemies of Allah are well aware that condemnation is all what the leaders of the Muslims do.

Isn't that true, my dear brothers? I would like to ask you:

Can the rulers, who try to establish warm relations with the colonial disbelievers at every turn, who conduct strategic and friendly relations, take care of our leader Rasulallah (saw) with their inability?

Can rulers who walk the streets of Paris arm in arm with disbelievers and try to look cute to them at every turn, protect Islam and its values? Is it not “condemnation” or sometimes “strongly condemnation” what they do most? Can these rulers, who are even unable to hate for the sake of Allah, feel with the Muslims?

It should be known that insulting the Messenger of Allah cannot end with messages of condemnation. The values of Islam are not claimed only by words. On the contrary, only Rashid Khalifahs (rightly guided caliphs), who have cherished the life of the Prophet, can put an end to the disaster of insulting the Messenger of Allah (saw). This insult can only be brought to an end by the Rashid Khalifahs (rightly guided caliphs), who do not sacrifice the values of Muslims to the current circumstance. Again, such attacks cannot be carried out by weak rulers who are firmly connected to the West in the chain of captivity, but rather caliphs such as Sultan Suleiman and Abdul Hamid the Second, who immediately mobilized their armies and delivered this message: “O France, know your place or what you will hear first is the footsteps of my army”. Because the Caliphate is the name of The Shield upon Muslims are protected and fought behind it...

When it comes to you, oh disbelievers! The Qur'an is informing us that the hatred you have against Islam is more than the words that come out of your mouths. Allah says the next addressing you: **﴿قَدْ بَدَتِ الْبَغْضَاءُ مِنْ أَفْوَاهِهِمْ وَمَا تُخْفِي صُدُورُهُمْ أَكْبَرُ﴾** “Hatred has already appeared from their mouths, and what their breasts conceal is greater. We have certainly made clear to you the signs, if you will use reason.” [Al-i Imraan: 118].

Again Quran informs us: **﴿قُلْ لِلَّذِينَ كَفَرُوا سَعْتُونَ وَسْتَغْلِبُونَ وَتُحْشَرُونَ إِلَىٰ جَهَنَّمَ وَبِئْسَ الْمِهَادُ﴾** “Say to those who disbelieve, “You will be overcome and gathered together to Hell, and wretched is the resting place.” [Al-i Imraan: 12].

You will never surrender attacking Islam and enmity against Islam. But know that we will never stop fighting you until our last breath. We will never allow you to insult our Messenger (saw). Indeed, we are the nation of a messenger who stood up for cruelty, strikes against persecution and asked the unbelievers to account.

Oh Allah! Grant us the Khilafah Rashidah (rightly guided caliphate upon the method of the Prophet) again. Grant us the Khalifah who truly fears you but not the disbelievers. And grant us the rulers who will respond disbelievers not only with words, but with armies.
