

Voting on the 7th June Elections is Forbidden by Shariah and It Serves the Survival of the Secular System

(Translated)

The meaning of the word 'election' is to outweigh, it is permissible in Islam if it is not related to something forbidden. In the era of the Righteous Khaleefs, the Khaleefs took their post as leaders of the believers by election. Although the reality of election is permissible, but not all elections are permissible. Because the elections these days are "democratic elections" and it is used to make democracy which is a Kufir system a legitimate project. This type of election therefore falls from the permissible elections.

Democracy is a system contrary to Islam, and it considers man to be more capable than Allah The Exalted Almighty in legislating. Sovereignty in it is unconditional and without limit to humans. And thus it does not recognize the sovereignty and legislation of Allah. Because the members of Parliament who are chosen as representatives for the people do not give value to many of the rulings of Allah (swt) and His Messenger (saw), and they issue new rules in its place instead. Matters prohibited by Allah and His Messenger such as alcohol, adultery, usury, gambling and others are considered legitimate by members of parliament in democratic systems. Allah (swt) says:

﴿وَمَا كَانَ لِمُؤْمِنٍ وَلَا لِمُؤْمِنَةٍ إِذَا قَضَى اللَّهُ وَرَسُولُهُ أَمْرًا أَنْ يَكُونَ لَهُمُ الْخِيَرَةُ مِنْ أَمْرِهِمْ وَمَنْ يَعْصِ اللَّهَ وَرَسُولَهُ فَقَدْ ضَلَّ ضَلَالًا مُبِينًا﴾

“It is not for a believing man or a believing woman, when Allah and His Messenger have decided a matter, that they should [thereafter] have any choice about their affair. And whoever disobeys Allah and His Messenger has certainly strayed into clear error” [Al-Ahzab: 36]

If we look at democracy from a rational perspective, we find that it is a big lie to deceive people. Since democracy is one of the main pillars of colonialism which is used to make the oppressed peoples of the world enslaved to the forces of colonialism. Western countries that promote democracy produce chaos and destruction, even in their own countries, because their laws that are man-made contradict the human instinct and nature that is given by Allah to man, it toppled the balance and dehumanized man

O Muslims!

Democracy and democratic elections are clear to all people of intellect. This corrupt regime was imposed upon us by force after the demolition of the Khilafah. This is why you should stay away from these elections, which extend the life of the Kufir system. Voting in this election is forbidden in Islam and it does not provide any benefit, except it only prolongs the life of the Kufir system. As is understood from its procedures, it has no relationship with Islam.

Islam is a complete system and its rules span all aspects of life. Whereas democracy does not accept the Laws of Allah, but it accepts man-made law, it means it is a war on Islam. For this reason, when Westerners occupied the lands of Islam they said, "We have come to implement democracy."

Democracy removes the people from the worship of Allah to the worship of man, it shifts it from Allah to man.

O Muslims!

Did Allah The Exalted create us and leave us to live on earth without a system?! Did He (swt) not reveal laws that show us how we should live in security and tranquility?! Or is the issue as the secularists says that Allah's Laws are backward and are not suited for modern times? Absolutely not! Therefore reject democracy and do not participate in the 7th June elections, because it is a grave sin and a great calamity with serious consequences.

When you choose your representative in the Council, you participate in the sin that will be committed because of the laws that will be issued in the Council, and those of procedures and corrupt actions that will be committed, because your vote is to delegate a representative who will represent you. So do not be fooled by their flowery words and false promises. Some of them deceive you by being a nationalist or conservative or an economist, they deceive you with flowery words empty of content and claim to preserve the survival of the corrupt regime. Do not be fooled by them and do not support anyone who is not looking to rule by the Laws of Allah, and do not be accomplices in their crimes. Allah (swt) said:

﴿أَفَحُكْمَ الْجَاوِلِيَّةِ يَبْغُونَ وَمَنْ أَحْسَنُ مِنَ اللَّهِ حُكْمًا لِقَوْمٍ يُوقِنُونَ﴾

“Then is it the judgement of [the time of] ignorance they desire? But who is better than Allah in judgement for a people who are certain [in faith]” [Al-Ma'id: 50]

Dear Brothers! Support Hizb ut Tahrir for a life of glory under the shade of the Righteous Khilafah instead of voting for the life of humiliation under the democratic system.
