Western Infidels' Agents and the Boldness to Proceed with the Project of Fragmenting Sudan

Abdul Wahid Nur, the leader of the Sudan Liberation Movement, and former Prime Minister Abdalla Hamdok signed a declaration in Nairobi, capital of Kenya. One of its most significant clauses includes: Clause 4, point (d), which calls for the establishment of a secular state that remains neutral and equidistant from all religions, cultures, and identities. Point (e) calls for the establishment of a democratic federal civilian government in Sudan that ensures the creation of a civil state. It also includes provisions for freedom of religion and thought, and guarantees for cultural, ethnic, religious, and regional identities. The declaration concludes this clause by stating: "In the event that these principles are not included in the permanent constitution, the Sudanese peoples have the right to exercise self-determination."

In light of this declaration, we in Hizb ut Tahrir / Wilayah Sudan affirm the following facts:

First: Sudan has been governed by a secular system since the entry of the British colonialist armies in 1899 until today, where the constitution established a life based on the separation of Deen from life.

Second: The fundamental cause of all of Sudan's problems is the idea of secularism, or democracy, which are one idea meaning the application of manmade law through parliaments and legislative councils, and the exclusion of the rule of the Creator, Almighty Allah.

Third: The insistence of these leaders, whether politicians or military personnel, on implementing secularism aims to execute the orders and instructions of colonial states that strive to fight Islam and prevent it from governing and politics, thus fighting its carriers and advocates.

Fourth: Establishing life on the doctrine of separating the Deen from the state means continuing a life of hardship, suffering, and failure in managing all aspects of life, whether political or economic. Allah (swt) said:

وَمَنْ أَعْرَضَ عَن ذِكْرِي فَإِنَّ لَهُ مَعِيشَةً ضَنْكًا وَنَحْشُرُهُ يَوْمَ الْقِيَامَةِ أَعْمَىٰ

"And whoever turns away from My remembrance - indeed, he will have a depressed life, and We will gather him on the Day of Resurrection blind." [Taha:124].

Fifth: Working to implement federalism, self-governance, and self-determination is putting the country into a machine of fragmentation and destruction, and it is a dirty work executed only by fallen agents.

In conclusion: This declaration confirms how the agents of colonial states conspire day and night to implement their masters' plan in Sudan, which revolves around a malicious triangle: excluding Islam and fighting its carriers and advocates by imposing secularism, fragmenting Sudan through federalism, self-governance, and self-determination, and then plundering resources through foreign investors and colonial capitalist companies.

The duty upon the people of Sudan is to take a stand against these treacherous leaders, expose them, and establish the Islamic State; the Khilafah Rashidah (rightly guided Caliphate) based on the method of the Prophethood. This will unite the Ummah under the identity of Islam, despite differences in color and language, where no one is superior to another except by taqwa (piety). Through a legitimate bayah (pledge) to a Khalifah (Caliph) who upholds justice, ensures security, and grants everyone their due rights.

وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بَنَصَرَ اللَّهُ يَنْصُرُ مَن يَشَاءُ وَهُوَ الْعَزِيزُ الرَّحِيمُ

"And that day the believers will rejoice, In the victory of Allah. He gives victory to whom He wills, and He is the Exalted in Might, the Merciful." [Ar-Rum:5]

The Masks Have Fallen: 76 Years of Occupation of the Blessed Land of Palestine

Written for the Central Media Office of Hizb ut Tahrir by
Maryam Ansari

The mask of the brutal Zionist occupation, backed by America, has fallen. The US provided strength to the Zionists and turned a blind eye to all that they did. The US used its veto power in the UN to shield the Zionists from any restrictions or retribution from the international community. For 76 years, the Zionists have continued to grab land and spread terror, making hundreds of checkpoints and preventing any settled life for Palestinians. Seventy-six years later, the only change in occupied Palestine is the sophisticated technology that is bombing homes, schools, and hospitals. Unspeakable crimes, such as mass graves uncovered on the grounds of hospitals after weeks of Zionist aggression. Forced displacement, forced starvation, and a total collapse of structures of a functioning society have led to the most horrific situation in Gaza. For seven months, we have seen a genocide unfold before our eyes. It gives us a glimpse into the oppression of Palestinians over the last 76 years.

The Economist Magazine reported on 14 May 2024 that, “The torch-lighting which traditionally opens “Israel’s” Independence Day was broadcast on the evening of May 13th as usual. But instead of being televised live as usual, the event was pre-recorded. The government said this was because of the solemnity of holding the ceremony while the nation is at war. The real reason, however, was the politicians’ fear that it would be disrupted by protesters, furious with their failings in handling the war.”

Whilst the Jewish entity is in domestic turmoil today, its original establishment is a creation that pierced the heart of the Muslim World. Blood was spilled on the holy land as it was during the 11th-century crusades. Its birth was only possible by the forced expulsion of the people who were already living there and the treachery of the Arab rulers in the region. Muslims and Christians who had lived there for centuries were driven out by terrorist Zionist gangs, in what is known as the Nakba, the catastrophe. Muslims and Christians were driven out of their homes, villages were burnt, and innocent men, women, and children were slaughtered by Zionist settlers, who came from Europe to claim the land as theirs. Thousands of Jews from around the world were given land that belonged to others. Palestine became a place of occupation and oppression. The Palestinians who were forced to leave have never been allowed to return.

The ugly, unmasked face of the brutal occupation has now awoken the Ummah. Previous incursions into Gaza by the Zionist army were fleeting news moments. But this time, it is different. This time, the Muslims have woken up. From Morocco to Malaysia, the Muslim Ummah is mobilized and moving. The false pillars of the West have fallen. The Muslims have no hope in the Western solution for Palestine. The hypocrisy is evident. The blood-soaked hands of the US and European powers cannot be hidden.

The masks of the Western colonialist institutions have fallen. The UN, International Court of Justice (ICJ) and the International Criminal Court (ICC) serve the interests of the US. The UN, created by the US in 1945, was portrayed as a neutral body designed to safeguard all people and prevent all wars. ‘Never again’ was the slogan. It was claimed that never again will anyone be allowed to mass murder people due to ethnicity or religion. But it was the UN that was the screen behind which a plan was hatched to rob the Islamic Ummah of their first Qibla. A plan that was designed to fool the layman into thinking that it’s just a matter of time before peace is achieved and Muslims, Christians, and Jews will live side by side. The characters of this intricate drama were the so-called Western peacemakers who would bring the opposite sides together. The sidekicks were the Muslim rulers who were commanded to stand guard like deaf and dumb puppets, only to speak when

Cont... page 4

spoken to and only say what the script from the US State Department told them to say.

Numerous UN resolutions and agreements have been signed about the Zionist states' violation of International law in Palestine. Still, they have failed to resolve the occupation and severe oppression suffered by the Muslims of Palestine. Instead, they have aggravated the situation and the condition of those living in this Blessed Land. They have prolonged the occupation. The meaningless resolutions proposed by the UN to condemn "Israel's" brutal action were rejected by the US, through its veto power. Those that were passed were violated by the Zionists, with no consequences. Thus, the mask of the UN has fallen. It was designed by the US to serve its interests.

The issue of Palestine can never be resolved by a kuffr organization like the UN or kuffar dressed in their suits and ties wearing false smiles. There can be no human of sane mind that would still advocate handing over this matter to the United Nations to seek a solution. Moreover, the Noble Qur'an warned us 1400 years ago to know who was our enemy and not be fooled by them. Allah (swt) said,

يَا أَيُّهَا الَّذِينَ ءَامَنُوا لَا تَتَّخِذُوا الْكٰفِرِينَ اءُولِيَآءَ مِنْ دُونِ الْمُؤْمِنِينَ ؕ اءَتْرِيدُونَ اَنْ
تَجْعَلُوا لِلّٰهِ عَلَيْكُمْ سُلْطٰنًا مُّبِينًا

“O believers! Do not take disbelievers as allies instead of believers. Would you like to give Allah solid proof against yourselves?” [TMQ Surah An-Nisa 4: 144].

The masks of the rulers of Muslims have fallen. They persist in refusing to send the armies of Muslims to stop the genocide in Palestine. Erdogan continued to supply weapons, materials, and food needed to sustain the genocide. Egypt, under the brutal dictator Al-Sisi, keeps the Rafah Border Crossing closed. Abdallah of Jordan provides an air bridge, as well as a land corridor along with Saudi and the UAE, to transport the US military hardware to the Zionists. The rulers of Muslims around Palestine are the defenders of the Zionists only. They have imprisoned and tortured those who protested against the genocide. All 57 leaders of Muslim countries are complicit in the genocide through their refusal to mobilize armies. They are more than capable of crushing the Zionists, but they choose to serve their masters. It is as if they have not heard the words of the Messenger of Allah (saw),

مَا مِنْ اَمْرٍ يَخْذُلُ اَمْرًا مُسْلِمًا فِي مَوْضِعٍ تُنْتَهٰكُ فِيْهِ حُرْمَتُهُ وَيُنْتَقَصُ فِيْهِ مِنْ
عَرْضِهِ اِلَّا خَذَلَهُ اللّٰهُ فِيْ مَوْطِنٍ يُحِبُّ فِيْهِ نَصْرَتَهُ، وَمَا مِنْ اَمْرٍ يَنْصُرُ مُسْلِمًا فِي
مَوْضِعٍ يُنْتَقَصُ فِيْهِ مِنْ عَرْضِهِ وَيُنْتَهٰكُ فِيْهِ مِنْ حُرْمَتِهِ اِلَّا نَصَرَهُ اللّٰهُ فِيْ مَوْطِنٍ
يُحِبُّ نَصْرَتَهُ

“No (Muslim) man will desert a man who is a Muslim in a place where his respect may be violated and his

honour aspersed without Allah deserting him in a place here he wishes his help; and no (Muslim) man who will help a Muslim in a place where his honour may be aspersed and his respect violated without Allah helping him in a place where he wishes his help.” [Abu Daud]

Before the current rulers, for 1300 years, the Khilafah had protected and defended the Blessed Land. The Khilafah of Umar al-Farooq (ra) opened Palestine to Islam. The Khilafah sent the forces of Salahudin to liberate it from the crusaders. The Khilafah of Abdul Hamid II protected Palestine from Zionist attempts to usurp its land. In the absence of the Khilafah, Palestine has remained under occupation.

All the masks have fallen. The Western leaders and their false way of life have been exposed. Their institutions and courts have been exposed. The treachery of the Muslim rulers has been exposed. Influencers and celebrities have been exposed. Those who remained silent have been exposed. We cannot have any hope in any of them. To do so would be a denial of reality. The sincere mujahideen have fulfilled their covenant with Allah (swt). The men, woman, children, and unborn babies in Gaza have fulfilled their covenant with Allah (swt). What are we doing, my brothers and sisters? Social media and protests must be used to call for the correct solution.

Palestine will not be liberated by learning about its history. Boycott, divestment, and sanctions will not liberate Palestine. Palestine will not be liberated by food aid. Palestine will be liberated when the brave sons of the Ummah in the Muslim armies disobey the treacherous rulers, break their shackles and march toward Al Quds. The solution for Palestine is to send our Muslim armies to Aqsa. The solution for Palestine is for the brave officers of the Ummah to uproot the rulers and grant Nussrah for the establishment of the Khilafah Rashidah (rightly guided Caliphate). It is the Khilafah that will liberate Palestine and Al Aqsa. Our role is to call for the armies to move to protect the Ummah. Allah (swt) said,

يَا أَيُّهَا الَّذِينَ ءَامَنُوا اِنْ تَنْصُرُوا اللّٰهَ يَنْصُرْكُمْ وَيُخْرِجْ اَقْدَامَكُمْ

“O you who have believed, if you support Allah, He will support you and plant firmly your feet.” [TMQ Surah Muhammad 47:7].

How Long, O Ummah of Muhammad?!

Destruction and dismemberment, bombing and massacres, desecration of Al-Aqsa Mosque and insults at the Prophet (saw) in its courtyards. So, how long, O Ummah of Muhammad (saw)?!

For seven months, we have been calling upon our Ummah and its armies for jihad for the sake of Allah, calling them with the call of Allah:

يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ أَنْفِرُوا فِي سَبِيلِ اللَّهِ أَتَأْتَلْتُمْ إِلَى الْأَرْضِ
أَرْضَيْتُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ * إِلَّا
تَنْفِرُوا يُعَذِّبْكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلَ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّوهُ شَيْئًا وَاللَّهُ عَلَى كُلِّ
شَيْءٍ قَدِيرٌ

“O you who have believed, what is [the matter] with you that, when you are told to go forth in the cause of Allah, you adhere heavily to the earth? Are you satisfied with the life of this world rather than the Hereafter? But what is the enjoyment of worldly life compared to the Hereafter except a [very] little., If you do not go forth, He will punish you with a painful punishment and will replace you with another people, and you will not harm Him at all. And Allah is over all things competent.” [At-Tawba:38-9]. So, how long, O Ummah of Islam?!

Is it not time for you to overthrow the treacherous regimes and the agent rulers? Do their hollow statements

not anger you, in which they call upon the Jewish enemy to adhere to international law and resolutions? What law and resolutions are these traitors talking about? For seven months, those who incurred Allah's wrath (the Jews) have been killing children, women, patients, and prisoners, destroying hospitals, mosques, and educational institutions. They even targeted international relief agencies, killing their members and destroying their headquarters. What remains from international law that they have not violated? What sanctities remain that they have not desecrated?

O Ummah of Muhammad (saw): Our blood is being shed immensely, and in return, America and its agents talk about humanitarian aid, the two-state solution, and normalization with those who incurred Allah's wrath. Is there a greater crime than this?! They send aid along with death bombs, they talk about peace and normalization while persisting in their killing and destruction. And now, the treacherous band of agent rulers in Egypt, Jordan, Qatar, and the land of the Two Holy Mosques are coordinating with America for post-war arrangements, those arrangements aiming to rectify the image of the criminal and occupying state, integrate it into the region, and liquidate the issue of Palestine.

O Muslims: The steadfastness and heroism of the mujahideen compel you to truly support them, leading to

Cont... page 6

the liberation of the Blessed Land and Al-Aqsa Mosque. However, the agent rulers and their intelligence agencies are working with all their might to transform the heroism of the mujahideen and the blood and suffering into a defeat greater than that of 1948 and a setback worse than that of 1967. The heroism of the Egyptian army in Ramadan 1973 was undermined by the treacherous peace agreement signed by Sadat, which the people of Egypt and Palestine still suffer from.

What America, the Jews, and the agent rulers are plotting against the people of Palestine is a major conspiracy. Their current priorities are to eliminate the mujahideen and the fervor for jihad in the way of Allah, and to establish an authority in Gaza that coordinates with the Occupation similar to the Palestinian Authority apparatus in Ramallah. Those who incurred Allah's wrath are betting on opportunities, and their reality is described in the words of Allah Almighty.

أَمْ لَهُمْ نَصِيبٌ مِنَ الْمُلْكِ فَإِذَا لَا يُؤْتُونَ النَّاسَ نَقِيرًا “Or have they a share of dominion? Then [if that were so], they would not give the people [even as much as] the speck on a date seed.” [An-Nisa:53]. They want all of Palestine, and their eyes are set on other lands as well. As for the American two-state solution project, it has become devoid of its content.

O Ummah of Muhammad (saw): The events in Gaza have awakened the concept of liberation and the obligation of jihad in the way of Allah, creating a general feeling among Muslims that the liberation of the Masra of the Prophet (saw) is closer than ever before. However, America and the agent rulers want to divert the Islamic Ummah from liberation and jihad in the way of Allah by promoting the two-state solution and portraying the Islamic Ummah as weak and powerless, who must surrender and submit to the will of America and the Jewish entity.

The betrayal by the regimes will plunge Muslims into a whirlpool of conspiracies, humiliation, and subjugation. This necessitates that Muslims in general and the armies in particular work with all their might to break free from dependence and agency, overthrow the regimes, eliminate the Sykes-Picot borders, and establish the rule of Allah on earth.

O Best Ummah brought forth for humankind: The responsibility of the Islamic Ummah towards the world is immense. It obliges the Ummah to rise for its Deen as Allah Almighty intended, as a witness to the people, a witness to them establishing the Deen and fighting injustice and tyranny.

Indeed, it is time for us to rescue humanity from this criminal capitalist tyranny. The movement of awareness currently witnessed in the world is a promising sign

for all humanity. These students grew up venerating freedoms and considering them a manifestation of America's greatness, but now are in a clash with the state responsible for implementing the ideology and guaranteeing their right to expression. Suppressing and forcibly dispersing sit-ins is a blow to the foundational principles of the capitalist ideology, and this is a prelude to the collapse of America and Western systems.

The Soviet Union collapsed when confidence in the Communist ideology and its fundamental concepts of life was lost, and the Khilafah (Caliphate) collapsed when Muslims' basic concepts became distorted, causing Islam to lose its influence on the state and society. This is what is happening in the West now. What is occurring is not merely suppression of individual freedom of expression **but suppression of the idea in society.** This is an inevitable result of a loss of confidence in democracy as a way of life and a loss of confidence in the ruling democratic system.

Trust in Allah Al-Qawii Al-Azeez and work diligently with Hizb ut Tahrir to establish the Deen of Allah on earth. Allah (swt) will bring His nusrah (victory) through your hands with His invincible power.

إِنْ يَنْصُرْكُمُ اللَّهُ فَلَا غَالِبَ لَكُمْ وَإِنْ يَخْذَلْكُمْ فَمَنْ ذَا الَّذِي يَنْصُرْكُمْ مِنْ بَعْدِهِ وَعَلَى اللَّهِ فَلْيَتَوَكَّلِ الْمُؤْمِنُونَ

“If Allah should aid you, no one can overcome you; but if He should forsake you, who is there that can aid you after Him? And upon Allah let the believers rely.” [Aal-i-Imran:160]

O Allah, open the hearts of the Muslims to Your obedience, Your pleasure, and the nusrah of Your Deen. Grant us from Yourself a supporting authority. And all praise is due to Allah, the Lord of the worlds.

NEWS & COMMENTS

Cowardice is a Disgrace, Whilst Within Confronting the Enemy Lies Honor

News:

Pakistan's Express Tribune reported on 1 May 2024 that, "Pakistan, China and Iran will soon hold trilateral meeting on counter terrorism and security in another sign of growing role of Beijing, bringing together the neighbours on crucial issues. The first meeting of Pakistan-China-Iran Trilateral Consultation on counter terrorism and security was held in Beijing in June last year." [Tribune]

Comment:

What did Iran and Pakistan meet with China for in June 2023? What are they intending to meet China for again? To co-operate in countering terrorism! To co-operate with the terrorist China, which wages war on Muslims in Xinjiang and their Deen! To co-operate with an enemy state, whilst giving the Hindu State a free hand over Occupied Kashmir, and the Jewish entity a free hand over Palestine! This meeting could not have been more vile and repugnant, as it comes at a time when our sisters and children are being butchered by the real terrorists of our time.

Yet, the governments of two large Muslim states are to meet again regarding terrorism, when the Jewish entity has waged over two hundred days of terrorism on the Blessed Land of Masjid Al-Aqsa. Over 34,000 have been martyred by the Jewish occupation, using Western imported ammunition and weapon systems. The loss of life is besides the destruction of almost all infrastructure and residences. An announcement by the governments of the two most powerful Muslim armies, at such a heart-wrenching time for the Ummah, that is less than declaring the mobilization of the armies to end Zionist terrorism, is a betrayal of the sanctities of Islam.

The command of the brave soldiers of Islam, and the weapon systems in their use is nothing but a grace of Allah, Al-Aziz Al-Mutakabbir. Before the battle of Mu'tah, news reached the 3000 Muslim troops that Heraclius had mobilized a hundred thousand troops together, with another hundred thousand men of Lakhm, Judham and Balqain, Arabian tribes allied to the Byzantines. 'Abdullah bin Rawaha addressed the Muslims saying, وما نقاتل الناس بعدد ولا قوة ولا كثرة، ما نقاتلهم إلا بهذا الدين الذي أكرمنا الله به، فانطلقوا، "In our fight we don't count on number of soldiers or equipment but rather on the Deen that Allah has honoured us with. Strive to win either of the two, victory or martyrdom." It was reported by Al-Bukhari that Khalid bin Waleed, the Sword of Allah, used nine swords that broke while he was relentlessly and courageously fighting the enemies of Islam. Indeed,

the command of Muslim soldiers is likened to being a sword of Allah. It requires that weapons are used for the supremacy of the Word of Allah (swt). It mandates that the weapons are used by men who have absolute conviction in the Nasr of Allah (swt).

Regarding the weapons of the Muslims, remember the incident before the Battle of Uhud when the Messenger of Allah (saw) took a sharp sword, held it in his hand and called out unto his Companions and said, **من يأخذ هذا السيف بحقه؟** "Who is ready to take this sword and give it its proper due?" Many a man set out to take it. Some of them were 'Ali bin Abi Talib, Az-Zubair bin Al-'Awwam and 'Umar bin Al-Khattab. But it was granted to none. Abu Dujana Sammak bin Kharsha inquired, "O Messenger of Allah, what is its price?" The Prophet (peace be upon him) said, **أن تضرب به وجوه العدو حتى ينحني** "It is to strike the enemy's faces with it till it was bent." So Abu Dujana said, "O Messenger of Allah, I will take it for that price." So, he was given the sword.

Have the armies of Pakistan and Iran given their men and their weapons their full right? Their armies are from amongst the strongest armies in the world, let alone the Islamic World. Yet, the traitorous leaderships have used the weapon systems and ammunition of the Ummah contrary to what the Messenger (saw) has ordered. In fact, we see them either on display for national pride, or used to support the enemies of Muslims, under the banner of countering terrorism. Such a stance is below the stature of such powerful Muslim states. The glorious Islamic history is a testament to the fact that the Islamic state has always been world-order-changing. However, these two lowly leaderships of two great Muslim states support the corrupt international order, and the major colonialist power who benefit from it.

It is time for the capable and brave to remove such leaders who are not worthy of being in the position of leading these strong armies. It is time to remove the nation-state symbols and structures, and all who defend them, as they are what strengthen the international order and its control. It is time for the brave and courageous to step forward to support the establishment of the Khilafah (Caliphate) on the Method of Prophethood. A state whose return Prophet Muhammad (saw) foretold. It is the state that will restore the dignity and stature that is due to Islam and Muslims.

Allah (swt) said,

يَقُولُونَ هَل لَّنَا مِنَ الْأَمْرِ مِنْ شَيْءٍ قُلْ إِنَّ الْأَمْرَ كُلَّهُ لِلَّهِ يُخْفُونَ فِي أَنْفُسِهِمْ مَا لَا يَبْدُونَ لَكَ يَقُولُونَ لَوْ كَان لَنَا مِنَ الْأَمْرِ شَيْءٌ مَا قَاتَلْنَا هَهُنَا قُلْ لَوْ كُنْتُمْ فِي

They say, “If we had any say in the matter, none of us would have come to die here.” Say, “Even if you were to remain in your homes, those among you who were

destined to be killed would have met the same fate.” Through this, Allah tests what is within you and purifies what is in your hearts. And Allah knows best what is in the heart.” [Aali-Imran:154].

O Muslims: You See the Crimes of the Jews at the Rafah Crossing, Gaza and Indeed All of Palestine And the Rulers Do Not Mobilize an Army for Support; Rather they Ignored their Red Lines! They are Satisfied with the American Mediation and its Followers!

O Muslims: Enough is enough. The atrocities committed by the Jews on the people, trees and stones are innumerable! Now they are storming the Rafah crossing, which the Egyptian regime considered a red line that they would not remain silent about the aggression against. But the red turned green after the Jews occupied it and the Egyptian regime was satisfied with just protesting!! (Al Jazeera Breaking News, 12/5/2024 - Associated Press, citing a senior Egyptian official: Egypt submitted a protest to Tel Aviv, Washington, and European governments regarding the attack on Rafah). Al-Arabiya Al-Hadath had published on 7 May 2024: (Major General Ali Hefzy, Assistant Minister of the former Egyptian Defense Forces, in exclusive statements to Al-Arabiya.net and Al-Hadath.net, said that the Philadelphia axis is a Palestinian buffer zone between Egypt and the Gaza Strip, stressing that the armed forces guard the Egyptian borders with great security, and no “Israeli” forces can approach it because it is a red line. The “Israeli” army announced, today, Tuesday, that it took complete control of the Palestinian side of the Rafah land crossing separating the Gaza Strip from Egyptian territory, in a military operation that it began yesterday. “Israeli” military vehicles entered the Philadelphia axis for the first time since 2005, also, thick smoke columns rose in an area near the Rafah land crossing between the Gaza Strip and Egypt as “Israel” intensified its artillery bombardment campaigns, today, Tuesday).

O Muslims:

It is tragic that the West, especially America, leads the rulers in Muslim countries and focuses on the countries surrounding the Jewish entity, as it does not want their armies to interfere. It announces this by saying: “Do not expand the war”! It is aware of the fragility of this entity, as its aggression has passed almost eight months without achieving its goals, even though what is facing it is a group of believers that is smaller in number and equipment. So, what if the Muslim armies intervened, or only those around Palestine? This is what is troubling America... Thus, its officials are roaming the region to prevent the Muslim armies from supporting the people of Palestine by putting pressure on the rulers of these armies, or even without applying pressure! For they have abandoned the liberation of Palestine from Jewish occupation since 1948 and not just from today!! Anyone who examines the tours of Western officials, especially the Americans, will find them to be for this goal. US Secretary of State Blinken hardly leaves the region. America was not satisfied with that, but sent its intelligence chief, William Burns, touring the region for several days, focusing his tour on the Egyptian regime and the Jewish entity, even if he was staying between them in Qatar. However, the emphasis was on regulating the relationship between the Egyptian regime and the Jewish entity, especially on the issue of Rafah. This makes what Al-Arabi Al-Jadeed published on 8/5/2024 have an aspect worthy of consideration:

(...Private sources had revealed to Al-Araby Al-Jadeed [New Arab] that the invasion of Rafah and the arrival of

Cont... page 9

“Israeli” occupation army vehicles to the Philadelphia axis, and even to the Egyptian gate of the Rafah crossing from the Palestinian side, came after the Egyptian side was notified of it, and with full American coordination... The source said, “CIA Director William Burns arranged the operation with Mossad chief David Barnea, while a call took place between him and Netanyahu, during which he confirmed the limited nature of the operation.”).

America then stirred what some rulers and a number of media outlets applauded, namely that there was a dispute between America and the Jewish entity, and that its use of American weapons was in violation of the law. Blinken stated that, but in a twisted, roundabout, and deceptive manner, and it is not hidden from those with understanding, as it was stated in the report he submitted to Congress:

[Al-Khaleej Newspaper: 11/5/2024 Washington - (AFP):

(A long-awaited State Department report on Friday said that “Israel” likely violated norms on international law in its use of US weapons **but it did not find enough evidence to block shipments.**) The report stated, (It reasonably assessed that “Israel” “used weapons in ways inconsistent with international humanitarian law,” **but the United States “was unable to reach firm conclusions....”** The report stated that (while the United States believes that “Israel” has contributed to the ongoing humanitarian catastrophe through its “actions or inactions,” **it does not conclude that the “Israeli” authorities have intentionally “prohibited or restricted” the delivery and transfer of this aid... etc.)** **It is clear that it is manipulating words to condemn and not condemn at the same time! Out of concern for supporting the Jews, and deceiving the rulers in Muslim countries, and even without deception, they have an understanding! This is to show the people as if America is in conflict with the Jewish entity!**

O Muslims:

The calamity lies in these rulers who are at the service of the colonialist kuffar, especially America. They say what it says and do what it wants. They witness the bodies of the martyrs with their own eyes, hear the screams of children with their ears, and see the displacement of people with their children and women in heart-breaking scenes. The rulers witnessed all of this. It reached their hearing and sight, but it did not affect the chivalry of Al-Mu'tasim (in action)! They prevented the armies from supporting their brothers in Gaza of Hashim. Rather, they stood and watched what was happening, counting the martyrs and calling them the “dead” in their media. The best among them are those who mediate, as if they are a neutral party between the Jewish entity, the enemy of Allah and His Messenger, and the Muslims in Gaza who are attacked in every inch of the Gaza Strip!

O Soldiers in the Muslim Armies:

Waiting for a command from the rulers to fight the Jews and liberate the Blessed Land is like someone stretching out his hands to the water [from afar, calling it] to reach his mouth, but it will not reach it. So, initiate the move, yourselves, and Allah is with you and the Ummah will follow you... You undoubtedly hear and see how your enemy is bombarding the Gaza Strip on land, sea and air to turn it into a scorched earth... so how can you not support your brothers or to fight?!

O Soldiers in the Muslim Armies:

Is there not a man of wisdom among you? Especially in the land of Kinana (Egypt) and Ash-Sham, who will lead the soldiers and the rest of the armies shall follow him, chanting Takbeer and the Ummah chanting behind them in the victory of Allah (swt).

إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ

“Indeed, We will support Our messengers and those who believe during the life of this world and on the Day when the witnesses will stand” [Ghafir: 51].

Enough is enough, O armies! There is no excuse left for the apologist and no excuse for the protester. It is not enough for you to clench your teeth out of anger at your enemies without doing anything. Rather, as Allah Al Aziz, Al Hakeem says:

فَاتْلُوهُمْ يُعَذِّبُهُمُ اللَّهُ بِأَيْدِيكُمْ وَيُخْزِهِمْ وَيَنْصُرْكُمْ عَلَيْهِمْ وَيَشْفِ صُدُورَ قَوْمٍ مُّؤْمِنِينَ

“Fight them; Allah will punish them by your hands and will disgrace them and give you victory over them and satisfy the breasts [i.e., desires] of a believing people” [At-Tawbah: 14].

ANSWER TO QUESTION

Speaking the Word of Truth Aloud

Question:

Assalamu Alaikum Wa Rahmatullahi Wa Barakatuh

I have a question:

Surah Yunus verse 90: فَاتَّبَعَهُمْ فِرْعَوْنُ وَجُنُودُهُ “Then Pharaoh and his soldiers pursued them” and Surat Taha verse 78: فَاتَّبَعَهُمْ فِرْعَوْنُ بِجُنُودِهِ “Then Pharaoh pursued them with his soldiers”

Does this mean that the ruler’s order and the ruler’s action are the same thing, so that we say that standing against his orders is the same as standing against his actions, meaning that we say a word of truth in front of his police or his assistants, like speaking in front of him? أَفْضَلُ الْجِهَادِ كَلِمَةٌ حَقٌّ عِنْدَ سُلْطَانٍ جَائِرٍ "a word of truth spoken before an unjust rulers". Thank you.

You have the right to change the wording of the question, and may Allah reward you.

Answer:

Wa Alaikum Assalam Wa Rahmatullahi Wa Barakatuh

First: With regard to the two verses mentioned in the question, which are what Allah Almighty says in Surah Yunus, verse 90:

وَجَاوَزْنَا بِبَنِي إِسْرَائِيلَ الْبَحْرَ فَأَتْبَعَهُمْ فِرْعَوْنُ وَجُنُودُهُ بَغْيًا وَعَدُوًّا

“We brought the Children of Israel across the sea. Then Pharaoh and his soldiers pursued them unjustly and oppressively”, and the Almighty said in Surat Taha, verse 78:

فَاتَّبَعَهُمْ فِرْعَوْنُ بِجُنُودِهِ فَغَشِيَهُمْ مِنَ الْيَمِّ مَا غَشِيَهُمْ “Then Pharaoh pursued them with his soldiers—but how overwhelming were the waters that submerged them!” It is as if you are pointing out the difference in the meaning derived from the use of the letter الواو and the letter الباء in the words (his soldiers), as Allah Almighty says in the first verse: فَاتَّبَعَهُمْ فِرْعَوْنُ وَجُنُودُهُ “Then Pharaoh and his soldiers”, while Allah Almighty says in the second verse:

فَاتَّبَعَهُمْ فِرْعَوْنُ بِجُنُودِهِ “Then Pharaoh pursued them with his soldiers”. The meaning of “follow them” is that he followed them and caught up with them, according to

what is mentioned in the books of Tafseer.

But the first verse فِرْعَوْنُ وَجُنُودُهُ “Pharaoh and his soldiers”, According to the language, it is understood that Pharaoh was among those who pursued them, meaning that the pursuit of Moses, peace be upon him, and the Children of Israel (Bani Israel) involved Pharaoh, may Allah curse him, and he was among those who followed them and caught up with them. This is because the الواو in the word (and his soldiers) here indicates participation, that is, the participation of Pharaoh and his soldiers in the pursuit of the Children of Israel (Bani Israel).

As for the second verse: فِرْعَوْنُ بِجُنُودِهِ “Pharaoh with his soldiers”. It can be understood from it according to the language that Pharaoh participated with his soldiers and their companion in the pursuit, but it can also be understood from it according to the language that Pharaoh did not participate with his soldiers and did not go out with them, but rather only sought help from them in the pursuit, and that is because the “ba” in the language indicates companionship and assistance. So the word (with his soldiers) in the verse can be used as a language of accompaniment, meaning that Pharaoh was accompanied by his soldiers in pursuing Bani Israel, and it can also be taken to mean seeking help, meaning he could be with them, and he could have sought help from his soldiers to pursue them without participating with them, meaning that the ones who pursued them were Pharaoh’s soldiers without Pharaoh himself.

The identification of one of the two meanings (accompaniment or assistance) is evident from the combination of the two verses:

The first verse has one meaning in language. And it is that Pharaoh, may Allah curse him, joined them, i.e., his companion, in catching up with Moses (as). The meaning of the second verse is likely in the language of accompanying, meaning he accompanied them in catching up with Moses, peace be upon him, and it is also possible that he sought help, meaning he sought help from his soldiers to catch up with Moses (as) without Pharaoh accompanying them, may Allah curse him in that. Because the meaning of the two verses does not contradict each other, the meaning of combining the two verses is that Pharaoh was with his army in pursuing Moses (as). That is, the الباء in “with his soldiers” here

Cont... page 11

indicates the meaning of accompanying, meaning that he was with his army in pursuing Moses, peace be upon him. This is with regard to the meaning of the two verses.

Secondly: As for the noble hadith mentioned in the question, it was narrated by Al-Tirmidhi in his Sunan on the authority of Abu Sa'id Al-Khudri that the Prophet (saw) said:

إِنَّ مِنْ أَعْظَمِ الْجِهَادِ كَلِمَةً عَدَلٍ عِنْدَ سُلْطَانٍ جَائِرٍ **"Indeed, among the greatest types of Jihad is a just statement before a tyrannical ruler"**. Abu Issa said, and in this chapter on the authority of Abu Umamah, and this is a hasan ghareeb hadith from this perspective. It was mentioned in Al-Mu'jam Al-Kabir by Al-Tabarani on the authority of Abu Umamah that the Messenger of Allah (saw) said:

أَحَبُّ الْجِهَادِ إِلَى اللَّهِ كَلِمَةٌ حَقٌّ تَقَالُ لِإِمَامٍ جَائِرٍ **"The best Jihad for the sake of Allah, a word of truth spoken to an unjust imam"**. In another narration by Al-Tabarani on the authority of Abu Umamah, that a man said at the Jamarat: O Messenger of Allah, which jihad is best? He said:

أَفْضَلُ الْجِهَادِ كَلِمَةً حَقٌّ عِنْدَ سُلْطَانٍ جَائِرٍ **"The best jihad is a word of truth before an unjust ruler."** The following was mentioned in the book of Aoun Al-Ma'boud in explaining this hadith: [... On the authority of Abu Sa'id Al-Khudri, who said: The Messenger of Allah (saw) said: The best jihad is a word of justice with an unjust ruler or an unjust prince. The companion of Awn al-Ma'boud said:

(The best jihad): That is, one of the best, as evidenced by the narration of Al-Tirmidhi: Indeed, one of the greatest jihads

(The word justice) And in a narration by Ibn Majah there is the word truth, and what is meant by the word is that which enjoins what is right or forbids what is wrong, whether a word or whatever it means, writing and the like.

(With an unjust ruler): That is, an oppressor. Indeed, this has become the best jihad, because whoever strives against the enemy is hesitating between hope and fear, not knowing whether he will conquer or be defeated.

The holder of authority is oppressed in his hand, so if he speaks the truth and enjoins M'aruf (good), he has been exposed to damage and is aiming for his own destruction. This becomes the best type of jihad for the sake of conquering fear, as Al-Khattābī and others said. (Or an unjust ruler (Ameer)): It seems that it is doubt from the narrator.].

From this honorable hadith it can be understood that the best jihad is to speak the word of truth before an unjust sultan, not before his followers. What is meant by an unjust sultan is an unjust prince, whether he is a president, a king, a prime minister, or a governor. He must have authority and rule in order for this preference

to be given in speaking the truth before him.

But this does not mean that there is no virtue in speaking the word of truth before the followers of the unjust ruler. Speaking the word of truth is always good and virtuous. However, the special advantage that the Prophet (saw) mentioned in the hadith that we are considering is a preference related to the one who has authority, i.e., the ruler himself. Because of the importance of speaking the word of truth before him and the risk, courage, and strength it entails, as some commentators of the hadith mentioned:

[... Al-Khattabi said: Indeed, that became the best jihad; Because whoever strives against the enemy hesitates between hope and fear, not knowing whether he will prevail or be defeated. The holder of authority is oppressed in his hand, so if he speaks the truth and enjoins M'aruf (good), he has been exposed to damage, and he has set himself on destruction, and this has become The superior types of jihad for the sake of conquering fear. Al-Muzher said: But it was better because the Sultan's injustice applies to everyone under his rule, and it is a great multitude. So, if he forbids injustice, then He brought benefit to many people other than killing an infidel (kaffir)...].

The whole talk is about the unjust ruler himself, not about his followers, assistants, and soldiers.
