Press Release

China to Implement New Regulations on 1 December 2026 that Suppress the Islam of the Uyghur Children of East Turkestan

China's new "Regulations on Promoting Family Education in the Xinjiang Uyghur Autonomous Region" are to take effect on 1 December 2026. They were adopted on September 23, 2026, at the 31st session of the Standing Committee of the 14th People's Congress of the Autonomous Region. China aims to prohibit the children of Muslims from participating in religious activities, whilst compelling them to adopt atheism. The Chinese language edition of China Daily reported on 12 November that, "The Regulations explicitly mandate education on atheism and anti-separatism, while strictly prohibiting minors from participating in religious activities."

These new measures are in addition to the large-scale removal of Uyghur children from their families, including very young children whose parents are in exile or detained. These children are treated as orphans by state authorities and placed in full-time boarding schools, pre-schools, or orphanages.

O Muslims!

Although China differs with the United States regarding the division of spheres of influence in the lands of Muslims, it is no less in its hostility to the Deen of Islam. The rulers of China are mushrikeen (polytheists) and the Lord of all Humanity, Allah (swt), has warned us of their nature. Allah (swt) said, ﴿لَتَجِدَنَّ أَشَدَّ النَّاسِ عَدَاوَةً لِّلَّذِينَ آمَنُوا الْيَهُودَ وَالَّذِينَ أَشْرَكُوا﴾ **"You will surely find the Jews and those who associate partners with Allah to be the most intense in enmity toward those who believe."** [TMQ Surah Al-Ma'idah: 82].

The Chinese mushrikeen attacked East Turkestan in 1879, martyring over million Muslims. Then on November 18, 1884, the Chinese mushrikeen designated East Turkestan as "Xinjiang," which means "New Frontier" in Chinese. Since then, they are undertaking a brutal campaign against Islam and the Muslims.

O Muslims: The Prophet (saw) said, **«الْمُسْلِمُ أَخُو الْمُسْلِمِ، لا يَظْلِمُهُ، وَلا يَخْذُلُهُ»** **"A Muslim is the brother of a Muslim: he does not oppress him, nor does he abandon him."** We must not abandon the Muslims of East Turkestan, and we are obligated to support them.

However, we must not direct our appeals to the international community represented by Western states. They limit themselves to embarrassing China to secure their own control over the lands of Muslims. Moreover, Allah (swt) warned us

that they will never be pleased with us until we leave our Deen and follow their religion. Allah (swt) said, ﴿وَلَن تَرْضَىٰ عَنكَ الْيَهُودُ وَلَا النَّصَارَىٰ حَتَّىٰ تَتَّبِعَ مِلَّتَهُمْ﴾ **"The Jews and Christians will never be pleased with you until you follow their religion"** [TMQ Surah Al-Baqarah: 120].

Also, we must not direct our appeals to the current rulers of Muslims. They will not raise a word, let alone lift a finger, against the rulers of China. Instead, they are working with them to secure the dominance of its companies over the markets and resources of the Muslims. The current rulers of Muslims are as the Prophet (saw) warned us. The Prophet (saw) said, **«سيأتِي على الناسِ سنواتٌ خدّاعاتٌ؛ يُصدَّقُ فيها الكاذِبُ، ويُكذَّبُ فيها الصادِقُ، ويُؤتَمَنُ فيها الخائِنُ، ويخَوَّنُ فيها الأمينُ، وينطِقُ فيها الرُّوَيْبِضَةُ. قِيلَ: وما الرُّوَيْبِضَةُ؟ قال: الرجُلُ التَّافِهُ يتَكلَّمُ في أمرِ العامةِ» "There will come to the people years of treachery, when the liar will be regarded as honest, and the honest man will be regarded as a liar; the traitor will be regarded as truthful, and the truthful man will be regarded as a traitor; and the Ruwaibidah will decide matters.' It was asked: 'Who are the Ruwaibidah?' He said: 'Vile and base men who control the affairs of the people.'"** [Ibn Majah].

Instead, we must direct our appeals to our armies. We must demand that they depose the rulers of Muslims and grant their nussrah (military support) for Hizb ut Tahrir for the establishment of the second Khilafah Rashidah (rightly-guided Caliphate) on the Method of the Prophethood which will mobilize the entire resources of the Islamic Ummah to prevent China's war on Islam, and to the liberation of East Turkestan in its entirety. The Prophet (saw) said, **«إِنَّمَا الْإِمَامُ جُنَّةٌ يُقَاتَلُ مِنْ وَرَائِهِ وَيُتَّقَى بِهِ» "The leader (or Imam) is only a shield behind whom they fight and by whom they are protected."**
