Muslims are One Ummah

The Shariah Obliges the Establishment of the Khilafah State on the Ruins of  
the Sykes-Picot Entities

(Translated)

The authorities of Algeria and Morocco are still tampering with the fate of the refugees of Syria fleeing the hell of the tyrant of Ash-Sham, the American agent Bashar Al-Assad. America, which covered over the crimes of his father before, is supporting him today to pursue the policy of genocide and murder with all weapons, including the siege of civilians and displacement, those who refuse the restrictions of slavery to Bashar, its agent, has to face the option of death or escape in deserts and seas for safety, if they can find them.

But the rulers of the Muslims in Turkey, Lebanon, Jordan and the Gulf have deprived the refugees of a decent living. The latest news is the exchange of accusations between the authorities of Algeria and Morocco, each denying responsibility for dozens of Syrian refugees; men, children and women left in the border region between Algeria and Morocco in Fijij, which is in the south-east of Morocco's border with Algeria, which has been closed since 1994.

This is a disgrace for these rulers, it is a clear violation of Allah's command that Muslims are one Ummah to the exclusion of other people, and the Shariah rule obliges the Muslim to support his Muslim brother, a Muslim is not a stranger in Muslim countries. Islam prohibits the national entities imposed by Western colonialism. And the puppet rulers are protecting them by the security forces and soldiers using the iron and fire power to prevent the so-called illegal crossing. "Illegal" according to the laws of Sykes Picot, which made the Muslim a stranger in his land and home, while the puppet rulers surrender the wealth of the country to Western companies, and open the air spaces before the military aircraft of the crusader forces to launch raids against Muslims, and allow the establishment of military bases on land and air to launch waves of killing and destruction and burn with their missiles the Muslim countries from Afghanistan to Morocco under various pretexts.

The Prophet (saw) said in the Sahih Hadeeth: «المُسْلِمُ أَخُو الْمُسْلِمِ لَا يَظْلِمُهُ وَلَا يُسْلَمُهُ، وَمَنْ كَانَ فِي حَاجَةِ أَخِيهِ كَانَ اللَّهُ فِي حَاجَةِ الْمُسْلِمِ أَوْ يَنْصُرُهُ اللَّهُ يَوْمَ الْقِيَامَةِ»  
"The Muslim is a brother of a Muslim, he does not oppress him or betray him. Whoever helps his brother in his need, Allah will help him in his need. Whoever removes a Muslim's hardship, Allah will remove from him one of the hardships of the Day of Judgment, and whoever conceals the fault of a Muslim, Allah will conceal his faults on the Day of Judgment"

**O Our People in Algeria and Morocco:**

The Shariah principle states: "That which leads to a duty is itself a duty." Shariah obliges you to provide shelter and support your brothers. It also requires you to destroy the entities imposed by colonialism and return as one Ummah that is dignified by its Deen and lives under the rules of Allah's laws. and fit the Sahih Hadith that says a believer to a believer is like a block of a tightly arranged brick wall. If these puppet rulers insist on refusing to apply Allah's Law and insist that they be puppets of the West who protect their interests in our country, then Shariah obliges you to overthrow them and give a pledge of allegiance to the Imam who will implement the Shariah laws internally and be the shield that deters the ambitions of the colonial powers to control our wealth and our country.

From Abu Bakr As-Siddiq (may Allaah be pleased with him), he said: I heard the Messenger of Allah (saw) say: «إِنَّ النَّاسَ إِذَا رَأَوْا الظَّالِمَ فَلَمْ يَأْخُذُوا عَلَى يَدَيْهِ أَوْشَكَ أَنْ يَعْقَبَهُ اللَّهُ بِعِقَابٍ مِنْهُ»  
"If people see the oppressor, and they do not stop him, soon Allah will send his punishment on them." Stop the tyrant rulers, proclaim the truth to them and push them to establish Allah's law, or work with the workers to change them and establish the Khilafah (Caliphate) on the method of Prophethood.
