## **New Massacres and our Armies' Stance are the Same! Is there not a Wise Man Among you who Can Restore Glory Again?!**

(Translated)

A huge fire and charred bodies, bloody scenes described as the most brutal since the start of the war on the Gaza Strip in October of last year. Throughout the entire year of the land and air war waged by the Occupation on the besieged Gaza Strip, this massacre was the bloodiest, as described by activists, medics and journalists.

The Occupation forces targeted the tents of the displaced people in Al-Aqsa Martyrs Hospital in Deir al-Balah, which were made of nylon, causing a massive fire that spread to include 30 tents with their residents late at night, where children and women were sleeping, trying to seize a moment of security in a year that has never ceased to be filled with terror and fear. The fire lasted for more than 45 minutes before civil defense personnel were able to control it, resulting, according to Al Jazeera, in four martyrs, including a woman and children, and more than 45 injuries with second and third-degree burns. Live testimonies that witnessed the incinerator said that those who were martyred burned to death without anyone being able to save them due to the force of the fire.

Hours separated this devastating fire from the massacre that preceded it on October 13, 2024 with a bombing that targeted the Mufti School in the Nuseirat camp, in which at least 22 people were killed, including 15 children and a woman, in addition to 80 injuries, according to the government media office in the Strip. Events are accelerating, and a whole year has passed and Muslims in a small, besieged area are being systematically exterminated, bringing back to history the stories of the People of the Trench. A whole year and these Muslims, who are part of two billion Muslims, are supported in the best of cases by supplication! Are we really a helpless Ummah?! Is the Islamic Ummah really unable to cut off the hands of the Jews and prevent them from tampering with Gaza, Al-Aqsa Mosque, and all of Palestine?!

No, Allah forbid, Allah the Almighty informed us that we are the Ummah of goodness and jihad, and the Messenger of Allah (saw) gave us the glad tiding that we will open Rome, so Al-Quds is closer to liberation, Allah willing, to be the capital of the coming Khilafah (Caliphate) state, and history in all its breadth confirms that we are a Ummah that, no matter how long we sleep, will wake up to eliminate our enemies with a decisive blow after which they will have no recourse. This is what happened with all our enemies, from the Crusaders, Mongols, Romans, Persians, and others, so how about the Jews, who are not people of fighting and have no existential future, as they themselves admit with their tongues, and as we experienced throughout a year in Gaza?!

O, Muslim armies, where are those among you who sold their souls to Allah in order to obtain this good? Will your failure last long as you watch the hatred of the Jews grow more widespread the longer you remain silent, and you see how heavy the price of your silence is as the people of Palestine pay it with their blood? **﴿إِنَّ اللَّهَ اشْتَرَىٰ مِنَ الْمُؤْمِنِينَ أَنفُسَهُمْ وَأَمْوَالَهُم بِأَنَّ لَهُمُ الْجَنَّةَ يُقَاتِلُونَ فِي سَبِيلِ اللَّهِ فَيَقْتُلُونَ وَيُقْتَلُونَ وَعَدَا عَلَيْهِ حَقًّا ۖ فِي التَّورَةِ وَالْإِنْجِيلِ وَالْقُرْآنِ وَمَنْ أَوْفَىٰ بِعَهْدِهِ مِنَ اللَّهِ فَاسْتَبْشِرُوا بَبَيْعِكُمُ الَّذِي بَايَعْتُمْ بِهِ وَذَلِكَ هُوَ الْفَوْزُ الْعَظِيمُ﴾** **Allah has indeed purchased from the believers their lives and wealth in exchange for Paradise. They fight in the cause of Allah and kill or are killed. This is a true promise binding on Him in the Torah, the Gospel, and the Quran. And whose promise is truer than Allah's? So rejoice in the exchange you have made with Him. That is 'truly' the ultimate triumph.** [At-Tawbah 9:111]
