

Press Release

The Jews Exposed the Egyptian Regime's Siege of the People of Gaza and Being an Accomplice in its Crimes Against Them!

(Translated)

South Africa filed a lawsuit against the Jewish entity before the International Court of Justice, and the Jewish entity responded by denying those charges, knowing that even if it confessed and was convicted by the International Court, no one would be able to attack or criminalize it. Since International Law applies only to weak countries or those that America does not support or aid. But what concerns us here is not the accusations or the disavowal of them, as much as they reveal the reality of the Egyptian regime, the actual partner of the Jewish entity in its siege of Gaza and its people. It reveals a living reality that is not hidden from anyone, which is the regime's failure to support the people in Gaza and closing the artificial borders to the people; Their wounded, their refugee, their displaced, and those seeking help, and the testimonies of those who are blackmailed by the regime's men at the crossing to collect thousands of dollars in exchange for allowing to cross over. Not to mention that the regime, which claims to have its own decision and sovereignty over its land, borders, and crossings, does not make crossing from and to it subject to a third party.

The Rafah crossing is located between Sinai and the Gaza Strip. What would make what enters through the crossing subject to the Jewish decisions, had it not been for the loyalty of the regime? For the Jews and enabling the Jewish entity to kill and brutalize our people there without doing anything, not responding to the provocation of the Jews and not expanding. The turmoil of war, and the suppression of the burning anger within the souls of the people and even the army of Al-Kinana?!

The Jewish entity is besieging our people in Gaza and slaughtering them from vein to vein through bombing, sniping, starvation and siege by all means. This would not have been possible without the help of the regimes that rule our lands and share in its crimes against our people in the Blessed Land, led by Egypt, the only outlet for our people in Gaza. However, we are not surprised at the position of the regime that we learnt about from the Jewish entity and that it is a guardian of the entity's borders and that preserving the security of the Jews is one of its strategic tasks that it is working to make a military doctrine for the Kinana army, but its wished and that of its masters in the West have failed.

What is truly astonishing though is the position of the loyal people in the Egyptian Army in the face of what is taking place of violation of sanctities, tampering, desecration of the sanctities, and violation of the honour of our brothers in the

Blessed Land. They are witnesses to the criminality of the regime and its partnership with the Jewish entity in besieging and starving the people of Gaza. They are crying out for help day and night. Haven't the cries of the hungry and wounded women and children reach them?! Didn't they hear the voice of children calling out "O Egyptian, O Allah, for Allah's sake"?! They seek help from them for the sake of Allah!

Did they not know what Western newspapers and agencies published about a bribe worth thousands of dollars to allow a sick or wounded person to be treated in the land of Kinana?! Where is your chivalry?! We and the people of the Blessed Land are not two brother peoples, but rather we are one Ummah whose blood is equal, the protection covenant given by their lowest is fulfilled by all Muslims, and they are united against their enemies.

By Allah, supporting the people of Palestine is a duty upon you from which you will not be absolved until you give them a clear victory and until you liberate the entire blessed land from the filth of the Jews.

O Soldiers of (Egypt) Kinana, O Best of Soldiers: The description of best soldiers which is given to you is not an honour, but rather a burden of the trust (Amanah) of Islam, the trust of the Messenger of Allah (saw), that is to be the Ummah's protectors and of its sanctities. If you do not do so, and the sanctities of the Ummah are violated and its sacred places are desecrated, then there is no good in you and no honour for you. So show Allah some of what pleases Him, show Him that you are worthy of being the best by carrying the banner of the Messenger of Allah (saw), in its right and supporting the oppressed as he (saw) did, to liberate the land of Islam that is being usurped by the Jews and to support the people of the blessed land whose sanctities are being violated. And know that your duty is to remove everything that would prevent you from doing what Allah has enjoined upon you on the basis of the principle "whatever leads to a duty is a duty." So, remove this regime that brings shame upon you, which participates in and protects the enemy of Allah and your enemy, and establish a state for the sake of Allah that prepares armies for the sake of the truth and supporting its people; The Khilafah Rashidah (rightly-guided Caliphate) on the method of the Prophethood. Be angry, O soldiers of the Kinana and let your anger be a sign that establishes the truth with the words of Allah and cuts off the path of criminals.

﴿وَالَّذِينَ آمَنُوا وَهَاجَرُوا وَجَاهَدُوا فِي سَبِيلِ اللَّهِ وَالَّذِينَ آوُوا وَنَصَرُوا أُولَٰئِكَ هُمُ الْمُؤْمِنُونَ حَقًّا لَهُمْ مَغْفِرَةٌ وَرِزْقٌ كَرِيمٌ﴾

"But those who have believed and emigrated and fought in the cause of Allāh and those who gave shelter and aided - it is they who are the believers, truly. For them is forgiveness and noble provision" [Al-Anfal: 74]
