(Translated)

Today on Wednesday morning 28/10/2015, a delegation from Hizb ut Tahrir of the Wilayah of Jordan headed by Ustaadh Bilal Al-Qasrawi, Head of the Central Communications Committee visited the Embassy of the Republic of Bangladesh. The delegation handed a memorandum issued by Hizb ut Tahrir in the Wilayah of Bangladesh to officials of the embassy in addition to a statement made by the Central Media Office of Hizb ut Tahrir in which the Hizb accounted the government of Bangladesh and the President of the Republic Sheikha Hasina due to the security apparatus in Bangladesh detaining the carriers of the Da'wah from the female members of Hizb ut Tahrir and torturing them with a variety of torture methods. It demanded that the government and the regime of Sheikha Hasina release the male and female detainees immediately.

This visit coincided with a women's protest outside of the embassy undertaken by the female members of Hizb ut Tahrir Wilayah of Jordan in support of their detained sisters and in support of the Muslims of Burma. Three talks were delivered in the protest by the sisters from the Shabaat of Hizb ut Tahrir in which the criminality of the regime of Sheikha Hasina was highlighted perpetrated against the Muslims in Bangladesh in addition to its criminality in respect to serving Kufr and colonialism and its dedication in that regard as it crushes the Muslims, exhibits spite and hatred against the carriers of the Da'wah and works to prevent them from reviving upon the basis of Islam out of fear of the return of the only political and legitimate entity for the Muslims, the Khilafah State upon the methodology of the Prophethood.
