O Honourable Ones: Save the Country before the Jordanian Regime and its Gang ruin it

(Translated)

Actions and statements are escalating and intensifying by the criminal regime in Jordan, and are successive in all directions and at all levels, to confirm the regime's full bias to the colonial forces of evil and Kuffur (disbelief) and tyranny, and proves once again its full isolation from the body of the Islamic Ummah and adherence to its enemies and the enemies of the Deen.

After its recognition of the Jewish entity and guarding it over the years, and its participation with the Jews in their joy and grief, despite all their crimes against Muslims and their sanctities, and concluding with them the military, security, economic - conventions, including the recent but not last treacherous gas agreement - and its shameful silence over the murder of Judge Ra'id Zu'ayter by the Jews, and their killing of Saeed Al-Amr and the police officer Jarrah before that, and after joining the international coalition in its war against Islam and Muslims and the involvement of military tasks of the coalition's war in Syria, Libya and others, and its implementation of security tasks in this open war declared on Islam, the regime in Jordan is now proceeding with the implementation of the third axis in the war on Islam in the form of intellectual struggle, which is manifested in its statement regarding the issue of 'terrorism'. "The problem is within Islam itself." Then it began to change the curriculum to destroy the intellectual basis "of the Islamic creed" among Muslims. If it is successful in this or in removing it from our minds and our hearts, we will be lost, and our honour, and, our country, and our sacred places, and our dignity will be lost, and we will be enslaved then by the most humiliated nations and despicable people.

O Muslims in Jordan:

The regime's actions lie before your eyes and does not need further commentary. It's clear it will bring turmoil to the country and people, so do not make the regime and its head go unaccounted by you, the Prime Minister represents the regime in all actions and acts of governance and procedures, by sending his deputy Jawad Al-Anani to console the Jews over the death of the deceased war criminal, the butcher Shimon Peres the assassin of Muslim children in Qana and Palestine... this represents the regime. And the Minister of Education, who changed the curriculums in accordance to the requirements of the war on Islam, also represents the regime which appoints the Board of Education that approved the changes in the curriculum. And the Energy Minister who concluded the treacherous gas agreement with the Jewish entity also represents the regime, and the Minister of Finance who implemented the World Bank instructions that surrendered the capabilities of the country to the Kaffir colonialists and emptied the pockets of the poor also represents the regime. So save the country O honorable men, before it is ruined by the Jordanian regime and its gang, and know that the regime is betting on your frustration and lack of patience to pass its projects and indulges in its transgression, so do not give up and have confidence that you can move to foil its conspiracies, and continue to move in the street and every place, and let this movement be for Allah alone, and support for Him (swt) and His Deen; by following the Islamic ruling in all your demonstrations and demands, may Allah bring about a good after that.

﴿وَقُلْ اَعْمَلُوا فَسَيَرَى اللَّهُ عَمَلَكُمْ وَرَسُولُهُ وَالْمُؤْمِنُونَ﴾

“And say, "Do [as you will], for Allah will see your deeds, and [so, will] His Messenger and the believers”” [At-Tawba: 105]
