

Press Release

Prevent the Embroilment of Jordan in a US Dirty War in Syria

(Translated)

The heating of the border areas between Jordan and Syria by military tensions, which have become apparent in the military buildup, and in the conduct of surveillance missions with unmanned aircrafts and shooting them down, and in the car bombs explosions on the borders between the two countries, along with the raising tone in the political and media messages between the criminal regime in Damascus and the Jordanian regime - subject to the will and political and economic pressures of America - are all but preparatory malicious acts pushing for the involvement of the people of Jordan to fight a dirty American war in which the Jordanian army will be the spearhead of America in Ash-Sham to implement its plans and achieve its objectives of burying the blessed revolution of Ash-Sham to prevent the revival of Muslims in Syria on the basis of Islam – pushed by hatred and grudge long held against Islam to fight it. And to pave the way for the opposition, which hurled in the arms of America through Turkey and other countries in the region, to secure the murderer and criminal regime in Ash-Sham and ensure its survival and continuity, in order to preserve America's influence and the permanence of its domination and control of the present and the future of its people, and even the future of the region. The intentions and goals of America in Syria are no secret to anyone in our region or in the Islamic world, nor are they a mystery to anyone in this world, after the truth has become clear and evident in its use of Russia, Iran and Turkey to protect the criminal regime in Ash-Sham.

O Muslims in Jordan, O Commanders and Officers in the Jordanian Army:

The opportunity is still open to prevent the embroilment of the country and the people in a war that is not a war for Muslims, but a war against them by their enemies, led by America, the leader of tyranny and the head of Kufr in this world, which supports and aids your enemy the Jewish entity and killed your brothers in Iraq, Afghanistan and Somalia. And killed and continues killing your brothers in As-Sham, sometimes by a Russian hand, and sometimes by an Iranian and an Arab hand, which wants to uproot Islam from the face of the earth as its President Trump said on more than one occasion and speech.

O Muslims in Jordan, O Commanders and Officers in the Jordanian Army:

Save the country before the regime in Jordan turns it into a battlefield for war and list it among areas of destruction, devastation, bloodshed and homelessness in the region, by his weakness, his absurd and irresponsible policies, and his submission to the will of America. And his willingness to support it in its colonial projects and fight its wars in the name of achieving peace and stability and (war on terrorism), fulfilling Trump's desire, when he said: "... Working together, the United States and Jordan can help bring peace and stability to the Middle East and in fact to the entire world. And we will do that".

Save the country before its people are embroiled in a dirty war in Ash-Sham on behalf of America or connive with it in its crimes against the Muslims in there, who are our people and brothers in religion and blood ﴿إِنَّمَا الْمُؤْمِنُونَ إِخْوَةٌ﴾ **“The believers are but brothers”** [Al-Hujurat: 10]. Save it before we regret when it is too late for regrets.

Remember, O Muslims, and remind your sons in the armed forces of the words of Allah (swt): ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا لَا تَتَّخِذُوا الْيَهُودَ وَالنَّصَارَىٰ أَوْلِيَاءَ بَعْضُهُمْ أَوْلِيَاءُ بَعْضٍ وَمَن يَتَوَلَّهُمْ مِنكُمْ فَإِنَّهُ مِنْهُمْ﴾ **“O you who have believed, do not take the Jews and the Christians as allies. They are [in fact] allies of one another. And whoever is an ally to them among you - then indeed, he is [one] of them.”** [Al-Ma'idah: 51] And America is the enemy of Allah and His Messenger and the believers.
