A Delegation from Hizb ut Tahrir / Wilayah of Lebanon Meets with Former Minister Ustadh Wael Abu Faour

(Translated)

A delegation from Hizb ut Tahrir / Wilayah of Lebanon, headed by Dr. Mohammed Al-Beqai, included Wissam Al-Homsi, Amin Amin and Brother Abu Khalil, the delegation met with the former Minister Ustadh Wael Abu Faour.

During the meeting, several issues related to Lebanon's internal policy were addressed, and there was agreement that Lebanon is not an independent state, but at every turn or entitlement in which the country was entering, international and regional intervention in internal affairs manifests.

The Hizb delegation explained the issue of Lebanon as a weak entity founded by France and that the solution for it could only be achieved through a global view of the human problem as a human being rather than as living in Lebanon or other countries. This solution is what the Hizb has been advocating for since its inception, namely the establishment of the Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood.
