Engineer Saham Qamar Family Holds Press Conference Raheel-Nawaz Regime Has Crossed Every Limit in Oppression

The family of Engineer Saham Qamar, an advocate of the Khilafah, along with their lawyer, held a press conference at the Karachi Press Club. The purpose of this press conference was to answer the lies propagated by the Raheel-Nawaz regime with respect to Saham Qamar's arrest.

The family lawyer said that Saham Qamar was abducted on the morning of 27 October 2015, when he was on his way to his office, by the regime's intelligence personnel. The application for registration of this abduction was submitted the same day, at the Nazimabad police station and its copies were sent to the Chief Justice Sindh High Court, DG Rangers, DG CTD and the Prime Minister, through a courier service. After a few days, when his whereabouts still remained unknown, a writ petition number 6847/15 was filed in the Sindh High Court and notices were issued to the relevant authorities on 12th November 2015.

The lawyer of Engineer Saham Qamar further said that we did a press conference on 12th November at this same place and conveyed the reality of Saham Qamar's abduction to the authorities, which was published the next day in the newspapers. He said it is astonishing that the same Saham Qamar was presented on 28th November, a full month later, through a bogus claim of his arrest that day and through a ninety day detention order his remand was secured by the anti-terrorist court. A separate constitutional petition 7599/15 has been filed which will be heard on 18th December 2015.

The lawyer said that the family of Engineer Saham Qamar wants to convey a message through this press conference that in a country which was created in the name of Allah (swt) they must not play with the lives of innocent Muslims just because they say there is only one Allah (swt). Therefore they demand that this detention order, which is based on a blatant lie, be withdrawn and Saham Qamar be released immediately.

Hizb ut Tahrir / Wilayah Pakistan makes clear to the Raheel-Nawaz regime that its lies, accusations and oppression will not stop the establishment of Khilafah because it has been promised by Allah (swt) and foretold by His Messenger (saaw). And despite knowing this fact, the regime does not change its course, so certainly it has lost its senses because the sane would not try to prevent the promise of Allah (swt) and His Messenger (saaw). And no matter what the Raheel-Nawaz regime does, the sons and daughters of this noble Ummah have faith in the promise of Allah (swt) and His Messenger (saaw). They will continue to sacrifice for the accomplishment of this promise, because the success in this world and the Hereafter, lies in the obedience of Allah (swt) and His Messenger (saaw).
