Heart of Asia Conference is Forum for Slavery Restraint before the Thug, is Submission to his Thuggery

Hizb ut Tahrir Wilayah Pakistan strongly condemns the participation of the regime in the Heart of Asia Conference being held in Amritsar, India. Today, India is committing terrorism and brutality in Occupied Kashmir, continuously killing the Muslims of Kashmir, or making them blind by employing pellet guns and killing our civilians and soldiers by indiscriminate firing and bombing at Line of Control. So at this time, sending a delegation to India is a message to the Hindu State that Pakistan will not confront its thuggery by a befitting response, but instead has submitted to its thuggery. India is exploiting every opportunity to defame and disgrace Pakistan on every international forum, yet, traitors in the political and military leadership of Pakistan on the dictates of their master, the US, are consistently pursuing the policy of restraint and humbly offering India bilateral talks. It is the nature of a thug that if silence is observed against his thuggery, then he will commit even more thuggery. However, if someone slaps a thug on his face with full force, he feels his actual weight and desists.

The traitors in the political and military leadership of Pakistan will never stop India's thuggery because their master, the US, wants India to become its thug in our region, unopposed and unchallenged by Pakistan, so that India can limit the expanding influence of China and suppress the Islamic revival. This disgraceful participation by the current rulers of Pakistan in Heart of Asia Conference in India in an extremely hostile situation is purely for American national interests. The purpose of creating this forum, Heart of Asia Conference, is to convert American military and political failure in Afghanistan in to a success by bring all regional states on one table so they devise a plan of slavery for the Muslims of the region. It seeks to force the honorable Muslims of Afghanistan and Pakistan to accept the puppet regime installed by America, which has opened the doors to India on Afghan soil so that it can undermine the world's only Muslim nuclear power.

Traitors in the political and military leadership are devoid of any grace, honour, integrity and dignity. They are even defending their disgraceful participation by saying that the international community has applauded their decision. What weight does the "international community" have in its applauding when it is dominated by major powers that are open enemies to Muslims and Islam, led by America? Moreover, Islam forbade the Muslims to submit before the transgressor and demands action against transgression. Allah (swt) said, ﴿فَمَن آغْتَدَىٰ عَلَيْكُمْ فَآغْتَدُوا عَلَيْهِ بِمِثْلِ مَا آغْتَدَىٰ عَلَيْكُمْ﴾ **"Then whoever transgresses the prohibition against you, you transgress likewise against him"** [Al-Baqara:194].

The befitting response that the Muslims long for in this era of oppression will only be delivered by the Khilafah (Caliphate) on the Method of Prophethood. Hizb ut Tahrir Wilayah Pakistan reminds the Muslims of Pakistan generally, and the sincere officers in the armed forces in particular, that traitors in the political and military leadership will keep on working to humiliate this Ummah in front of the enemies of Allah (swt), His Messenger (saaw) and the believers. Therefore if the Muslims desire the respect and glory of this world and the Hereafter, then the Muslims of Pakistan must join the struggle of Hizb ut Tahrir and the sincere officers of Pakistan's armed forces must provide Nussrah to Hizb ut Tahrir for re-establishing the Khilafah (Caliphate) on the Method of Prophethood.
