Jenin Refugee Camp Bombarded by Jews and Besieged by the Coordination of the Palestinian Authority

(Translated)

Last night, planes of the criminal Jewish entity bombarded the Jenin Refugee Camp, resulting in six Shuhadaa at the time of writing, in addition to numerous wounded. Meanwhile, the Palestinian Authority's forces continue to besiege the camp, burning its homes, killing its residents, and arresting fighters, journalists, children, and relatives of shuhadaa. Reports from inside the camp reveal the audacity of these forces, including shooting at paramedics rescuing the wounded and recovering the bodies of martyrs. Thus, the Palestinian Authority (PA) has aligned itself with the Jews, offering loyalty to those among them while showing hostility to the people of Palestine. It follows in their footsteps, imitating every atrocity and committing crimes devoid of humanity.

The people of Jenin Camp face aggression not only from the Jews but also from their followers in the PA, backed by the entire Western world. This mirrors the aggression faced by the people of Gaza, with the collusion of neighboring regimes and the West, all conspiring to force the people of Palestine to submit to the Jewish entity.

The Palestinian Authority is merely a tool of America and the Jews in the Blessed Land, serving as a security apparatus for them. Once its purpose is exhausted, they will replace it with similar arms and agents to oppress the people of Palestine as long as the usurping entity exists. Unless the Muslim Ummah and its armies rise to support the people of Palestine and for the sake of Allah's deen, this oppression will persist. Just as the people of Gaza have been crying out for help since the beginning of the Jewish aggression, every grain of sand and breath of air in the blessed land calls out for rescue. Allah will hold the Ummah accountable for forsaking Palestine and failing to liberate Al-Aqsa Mosque and its surroundings from the clutches of the Jews, the most cowardly and vile of Allah's creation.

To our people in the blessed land:

There is no longer any excuse to be deceived by the rhetoric of the Palestinian Authority or its justifications for its heinous aggression against the people of Jenin. Those whom the Authority now fights as outlaws are the same ones who have become shuhada under the bombs of the Jews. Any member of the PA's security apparatus with a shred of faith must recognize that they are fighting on behalf of the Jews, shedding the blood of those who declare, "La ilaha illa Allah Muhammad Rasool Allah." The door to repentance and returning to Allah remains open. Fear Allah regarding the blood of the people of Jenin.

The Jewish entity, along with its subordinate Palestinian Authority, are but fleeting clouds in the history of the Muslim Ummah. They are the foam that will vanish and the evil tree whose roots will be uprooted. The Muslim Ummah and its righteous sons, especially in this blessed land, are what will benefit humanity and endure on this earth.

﴿وَسَيَعْلَمُ الَّذِينَ ظَلَمُوا أَيَّ مُنْقَلَبٍ يَنْقَلِبُونَ﴾

"And those who have wronged are going to know to what [kind of] return they will be returned." [Surat Ash-Shu'ara:227]
