

Press Release

It is not Surprising that those who Betrayed Allah, His Messenger, and the Believers to put, their Hands on the Hands of the Murderous Usurper Jews

(Translated)

On Thursday, 02/02/2023, the Minister of Foreign Affairs of the Jewish entity, Elie Cohen, and his accompanying delegation met with the President of the Sudanese Sovereignty Council, Abdel Fattah Al-Burhan, in the presence of the Designated Foreign Minister, Ambassador Ali Al-Sadiq, and according to the official page of the Sovereignty Council, the meeting touched on the fruitful relations with the Jewish entity and the strengthening of prospects for joint cooperation between Khartoum and Tel Aviv in the fields of agriculture, health, water and education, especially in the security and military fields.

At a time when the Jewish entity is reveling, defiling the blessed Al-Aqsa Mosque, killing the Shabab of Palestine, demolishing homes on the heads of its inhabitants, and raiding towns, camps, etc., at this time when the youth of Palestine show heroism in the presence of the rulers of Ruwaibidah, the rulers of Sudan meet with the leadership of Al-Burhan, with murderers, criminals, usurpers of the land of Al-Masra, and the first Qibla of Muslims, and they put their hands on their hands, aspiring to remain in the ruling chairs at the expense of the blood of the defenceless youth while the regime works with the Jewish entity to destroy their minds, and poison their bodies with drugs that the Jewish entity pushes into Sudan, then the foreign minister of the Jewish entity brags that he wants fruitful relations.

We in Hizb ut Tahrir / Wilayah of Sudan absolve before Allah this meeting that brought together those who betrayed Allah, His Messenger, and the believers, and put their hands in the hands of those whose hands were stained with the blood of children, women, and the elderly in Palestine, the land that Allah has blessed, and we say to Al-Burhan and those with him, that you do not represent the Muslim people of Sudan. And if you ride the train of treacherous normalization with those who preceded you from the evil rulers in some Arab countries, it will only increase your disgrace in this world and a painful chastisement in the Hereafter if you do not repent and return, and that the Islamic Ummah does not expect from you anything other than this submissiveness and reliance on the usurping enemies, and the day will come soon when the Ummah roars and they get rid of you like the pits of dates. Then the sincere people of strength and invincibility will give victory to Hizb ut Tahrir, so that it will be restored by a righteous Khilafah (Caliphate) upon the method of the Prophethood, which will gather the diaspora of the Ummah, cut off the hand of the colonial Kuffar, and eliminate the Jewish entity, in ratification of the words of the beloved Muhammad (saw): «لَتَقَاتِلُنَّ الْيَهُودَ فَاتَّقَتْنَهُمْ» **«You will fight against the Jews and you will kill them until even a stone would say: Come here, Muslim, there is a Jew (hiding himself behind me); kill him.»**
