

Congratulations Upon the Arrival of the Blessed Eid

(Translated)

On the occasion of the blessed Eid ul-Fitr that will soon arrive, it pleases us in the Media Office of Hizb ut Tahir in Wilayah of Sudan, to congratulate the Islamic Ummah upon its noble coming. And we ask Allah Subhaanahu for His new moon to bring goodness, security, belief, well-being, Islam, honour, protection and victory to the Ummah.

The blessed Eid ul-Fitr is coming upon us so that we rejoice with its arrival however our joy will never be complete because the Muslim lands still remain captives of the Kufr capitalist systems that have brought hardship to the people and corruption to the lands, making the Muslims like orphans an open prey for the villains.

Our joy will never be complete whilst the Ahkam of Allah are distant from application and implementation in the case where oppression, hardship and misery have become widespread in the world as a result of turning away from the methodology and path of Allah Al-Hakeem.

Our joy will never be completed whilst we witness our brothers and sisters in the afflicted lands of Islam facing death, murder, refuge and ejection from their homes whilst they have no protector other than Allah Ta'Aalaa!

Our joy will never be complete because our lands have become permissible to be exploited and abused, our sanctities have become violated, our Ummah divided and torn apart and the destination of our Prophet's night journey been befouled.

However, all of that by the permission of Allah, its appointment is the morning, so it is close by Allah's permission, when the great Ummah will complete its joy by giving the Shar'iyah pledge (Bai'ah) to a Khalifah from among the sincere sons of the Ummah, upon the basis of the Book of Allah and the Sunnah of His Messenger, so that we establish the Hukm (ruling) of Allah upon the earth, unify the Muslim lands and then enter making Takbeer and saying Laa Ilaaha Illallah whilst we enter Masjid Al-Aqsa. Then we will dominate the Dunyaa and carry Islam to the world in its entirety as a message of guidance and light.

And every year may you be in a position of honour and obedience by Allah's permission
