If the Government of Sudan Responds to America's Blackmail Then why does America Raise the Stick to it?!

(Translated)

The United States has delayed decision on permanently lifting sanctions against Sudan because of its human rights record and other issues, for three months, according to a US State Department statement. (Sky News Arabic Wednesday, 12/7/2017).

America is a colonial state that only cares about its interests. So, if the government of Sudan responds to the blackmail of America, then why does it raise the stick of sanctions?

The decision not to lift the sanctions was expected, to ensure that Sudan continues to implement the American demands; namely secularization of Sudan and its use in the region to serve US policies and then to tear it apart by changing the Constitution and laws to comply with the International (American) Charter. This includes taking of Riba-based loans, emptying laws of everything linked to the Islamic law, adoption of federalism and self-government, and the government's involvement with US in the so-called war on terror (Islam). The U.S. Institute of Peace sees Sudan as the best gateway to Trump's policy towards Africa. Public opinion 3/2/2017!!!

This is how America is, with its arrogance and haughtiness. It is a capitalist state, not a charity organization. Its tyranny is only halted by a state like it in power and leadership, and only the state of the Khilafah (Caliphate) on the method of the Prophethood will do so. For it is alone that restores to the nation its decision and cuts off the hands of the colonial disbelievers who intervene in Muslims' affairs. This is because the Khilafah state is an ideological state, and not as such functional states; which put themselves in the service of enemy projects. Sudan with its wealth, and men, is qualified to establish this state, if a wise and judicious system is established, and there is righteous leadership.

O People in Sudan, O Muslims who are proud of your religion,

You must reject this subordination, weakness, waiver and humiliations offered by the rulers of Sudan to America. We do not need the satisfaction of America, but we need the satisfaction of Allah, the One, who is One. And this is only achieved by establishing His rule on Earth and the application of His Shari'ah, and the method for this is the righteous Khilafah on the method of the Prophethood. Allah (swt) says:

﴿وَيَقُولُونَ مَتَىٰ هُوَ قُلْ عَسَىٰ أَن يَكُونَ قَرِيبًا﴾

“And they say, "When is that?" Say, Perhaps it will be soon.” [Al-Isra: 51]
