What Fate Awaits those who Failed to Support Daria in this World and the Hereafter?

(Translated)

After more than four years of total siege during which our people and the Mujahideen in Daria drew up major face-offs, and made great sacrifices for the sake of Allah Almighty. And have persevered in the face of the brutal attacks of the criminal regime and its supporters, who used on them all what they own of means of killing and destruction with the blessing of the whole world and an obvious betrayal from leaders of political factions who are associated with dirty money and the conspiring supporters against the revolution of Ash-Sham and its people... After these sacrifices, after the betrayal of the people Daria by the factions, and the weakness of the rulers in the neighboring countries to support them, negotiators signed on Friday, 26/08/2016, an agreement to deport the people of Daria to Sehnaya and the Mujahideen to Idlib under the supervision of the international Red Cross!

According to Al Jazeera report, the head of the regime's negotiating delegation is the daughter of the commander of the Fourth Division, which threatened to annihilate all civilians and the Mujahideen of Daria.

O Muslims in the blessed land of Ash-Sham:

Here you have seen with your own eyes the result of the dirty political money, which we have long warned the factions of, how it shackled them and made them incapable to support their brothers in Daria and others. How it made them subservient to the decisions of the supporters, not exceeding their red lines that are placed only, to sustain the regime and prevent it from falling. How it made them spineless, not allowed to engage except in side battles, whilst the battles that shake the pillars of the regime and eliminate it in Damascus and in its side in the coast are forbidden to them by their supporters. And here is the regime by this agreement of Daria and by departing its people and its fighters has distanced the risk of the battles away from Damascus because it realizes that it is its vulnerable spot, and the regime tries to keep the Mujahideen away from it. And what it did in Daria would try to do in other areas, even though it held with them truces or agreements.

O the Mujahideen on the land of Ash-Sham:

Those who pledged themselves and their decisions to the agent countries associated with the Kaffir West and to the enemies of the revolution of Ash-Sham,

and gave them a way over it using various pretexts and excuses will not achieve victory or salvation for the people of Syria but will sink and sink those behind them.

Those who make victory on the land of Ash-Sham are men who have been true to what they have vowed before Allah, they own their decision and their will, so they are slaves to Allah alone, support Him the true victory and supported their people and their Ummah, and sided with the camp of faith which have no hypocrisy in it.

So are those who give victory to the religion of Allah, their people and their nation, who respond to the words of Allah Almighty:

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا كُونُوا أَنْصَارَ اللَّهِ...﴾

“O you who have believed, be supporters of Allah” [As-Saff: 14].

We are your brothers in Hizb ut Tahrir / Wilayah Syria, we call on all the sincere to bear their responsibility before Allah Almighty, and take at the hands of those who pledged our decision to the will of our enemies. We call upon the leaders of all factions, especially the associated, to cut their ties with the supporting countries, and not to betray the sacrifices of our people and the blood of our martyrs. Let the failing to support Daria and what befell it the event that wakes them up from sliding into the abyss of humiliation and loss in this World and the Hereafter. The shame of this cowardice will not be washed, except by cutting off the ropes of the supporting agent countries, holding firm to the rope of Allah alone, providing Nusrah for the oppressed people of Ash-Sham, and working for the victory of the project of the second Khilafah State (Caliphate) on the method of the Prophethood. Relying after Allah Almighty on ourselves and what we acquire from our enemies, owning our decisions and our will and confident of Allah's promise to us of victory and empowerment. In that is our pride, triumph and salvation, and in other is our waste, perishing and loss.

Allah (swt) says:

﴿وَإِنْ تَوَلَّوْا يَسْتَبْدِلْ قَوْمًا غَيْرَكُمْ ثُمَّ لَا يَكُونُوا أَمْثَالَكُمْ﴾

“And if you turn away, He will replace you with another people; then they will not be the likes of you” [Muhammad: 38].
