

Press Release

Fighting is a Branch of a Malicious Tree called the American Political Solution

(Translated)

The fighting, between factions of Ash-Sham, which takes place today in conjunction with the Istana conference, its significance is well known to all those with cognizance, and is responsible for its occurrence. Everyone who can stop it but did not stop it, and everyone who is pleased with it of the people of Syria. Fighting between the factions occurred frequently, and every time blood is spilled, for trivial reasons, and for motives which Allah has sent down no authority. And despite calls that came out of the mouths of the sincere to stop fighting, those calls were not heeded.

The ceasefire agreement, which was announced on 29/12/2016, was the first step that paved the way to the fighting between the factions, as the fighting is of the American political solution requirements, paving the way for the classification of the rejecters of the political solution within the list of terrorism.

O Muslims in Ash-Sham the abode of Dar al-Islam, it is no longer a secret that the outcome of the revolution was caused by a lack of awareness on the plots of the enemies, and the absence of an aware political leadership that will prevent any infighting, and save the Revolution from spilling the sacred blood. For the weapons found in the hands of the factions are to defend the people of Ash-Sham and defend their honor and not to fight among themselves. The power within the revolution needs a political leadership that plots out the course of its work, and determines its true goal for it to point its gun to.

O the notables, O the people of opinion and say in the land of Ash-Sham, the responsibility on your shoulders is so great, you can prevent any deviation that affects the revolution, and you can stop any fighting erupts between weapon bearers. Issue statements to reject infighting, and forbid your sons from obeying their leaders in disobedience to Allah, for there is no obedience to the creature in disobedience to the Creator. And know that this revolution will not be set right except by a sincere political leadership that carries the great project of Islam, leading the revolution by it, before the hands of the abusers seize it, and before the blood vendors trade by it. Be as Allah wants you to be, sincere servants to Him, seeking His satisfaction, following what He commanded, abstaining from what He forbade, and not fearing for the sake of Allah the blame of anyone.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَهُهُ تُخْشَرُونَ﴾

“O you who believe! Answer Allah (by obeying Him) and (His) Messenger when he (SAW) calls you to that which will give you life, and know that Allah comes in between a person and his heart (i.e. He prevents an evil person to decide anything). And verily to Him you shall (all) be gathered.” [Al-Anfal: 24].
