﴿إِنْ تَكُونُوا تَأْمُونًا فَإِنَّهُمْ يَأْمُونُ كَمَا تَأْمُونُ وَتَرْجُونَ مِنَ اللَّهِ مَا لَا يَرْجُونَ وَكَانَ اللَّهُ عَلِيمًا حَكِيمًا﴾

“If you should be suffering - so are they suffering as you are suffering, but you expect from Allah that which they expect not. And Allah is ever Knowing and Wise.” [An-Nisaa’: 104]

(Translated)

The battalions in the city of Daraa, backed by the support and assistance of the people’s consensus began a process to repel the aggression of the tyrant of Ash-Sham, which then evolved into actions whose slogan was what the throats of the revolutionaries of Daraa and the rest of Syria have for years chanted for, "Death Rather than Humiliation".

As soon as the work was announced by a group of sincere formations, clean from the dirty political money and pure from the decisions of the supporters’ rooms, faces began to reveal their truth; the first of which was the Jordanian regime, the weak agent. It tried in every effort to end the actions and stop it as it noticed the rapidity of its results. So, it closed the border to the wounded and opened up its air space to Assad’s and the Kafir Russia’s vultures to strike Muslims in front of its eyes. In addition to moving some agents to end the work by hunting some of those in charge of the work to annihilate them. But it has forgotten that Allah has destined it and that it will be accomplished.

Then, to end the work, the Jordanian regime was followed by the operating rooms that tried to ride the wave of the actions by sending some shipments of weapons and bonuses to some formations, and it was an obvious play in which the failure of the director and the actor was known.

In return, there was a continuation for the work and achievements paving the way for the liberation of the city of Daraa from the abomination of Assad and his henchmen. The Assad forces suffered heavy losses on the level of individuals and mechanisms. In addition to the loss of the mercenaries of the tyrant of Ash-Sham, who came to the land of Horan, of their initiative and their loss of the spirit of fighting and their horror by the ferocity of the battles; despite the fierce bombardment carried out by the Russian hatred warplanes, whose lava poured over the city of Daraa and its villages with dozens of explosive barrels and rockets, and pursued a scorched-earth policy.

O the Sincere in the Land of Horan: You have learned the results of the works controlled by the operating rooms with their money and weapons. You have realized that Allah’s victory does not descend unless you give victory to Him (swt) and you give victory to His Shariah. It only requires from you to believe that victory is all in the hands of Allah, and that victory does not descend on the one who pledges his decision to the traitors and agents, but rather to the one who turns His face to Allah *Subhanahu Wa Ta’ala*.

O Muslims in the Land of Ash-Sham:

Here is the darkness of the unjust rule, Allah willing, folds its last hours, promising the dawning of the righteous rule on the method of the Prophethood, which foreshadows the lifting of tyranny and injustice from Muslims. And your steadfastness in the face of the power of darkness is only one of the episodes of this dawn. Allah (swt) gave you the glad tiding, and His glad tiding is the Truth, that no crowd will be gathered on you, unless its fate will be a defeat and it will turn their backs and flee; so, by Allah you only have to uphold steadfastness, and ask Allah wellness. This is the month of Ramadan, it came to you and it is the month of great victories, and with His (swt) permission, your steadfastness will be a line of the lines of conquest in it.
