

### Press Release

## **Terrorism at Home, Massacre in Aleppo and behind them Treason and Colonialists**

Not even a week passed after the bombing attack in Istanbul on 10<sup>th</sup> of December, Saturday, and this time another terrorist attack happened in Kayseri. With this despicable attack, pain fell on the hearts of mothers and households anew. The real perpetrators of these terrorist attacks who agonize our hearts, these colonialist Kuffar countries had the audacity as if nothing happened to publish condolence messages through their terrorist hive embassies in our lands.

Unfortunately when these were happening in Turkey the massacres of Aleppo reached unimaginable degrees. Our Muslim brothers were savagely murdered in front of the whole world's eyes. Kafir USA and Russia have committed a genocide on the Muslims of Aleppo with the help Iran and the Assad regime who became too bold in their tyranny. So as a response we as **Hizb ut Tahrir / Wilayah Turkey** made a emergency call, to show once more the real perpetrators of terrorism and to make the armies, that should prevent the massacres happening in Aleppo, move to Aleppo. In Istanbul before the Russian embassy, in Bursa and Konya in central mosques after the Friday prayer and just on the border of Syria, Hatay's Reyhanlı district we made protests and delivered Press Releases. In Ankara we made a press release before Kocatepe Mosque because we were not allowed to walk to the US embassy. We did these good deeds because we felt it was an Islamic responsibility upon us. But this responsibility is on all Muslims especially on leaders and commanders, as RasulAllah *Sallallahu Alayhi Wasallam* says in one of his hadith: «المُسْلِمُ أَخُو الْمُسْلِمِ، لَا يُظْلِمُهُ وَلَا يَخْذُلُهُ» **“A Muslim is a brother to other Muslims. He does not tyranny on to him, he does not leave him helpless...”** [Muslim]

**O Leaders!** As a political party what we do is to show you the right from wrong and the solution, advice you or criticise you. O Leaders, that is why the main responsibility lies with you. You carry responsibility of the first degree in both the terrorist attacks happening home and the massacre at Aleppo. You and the army you lead is responsible of the lives, properties, virtues and honour of the Muslims. For you are the ones who should stop the terrorist attacks in Turkey and the massacres in Aleppo. The real perpetrators of the terrorist attacks are the colonialist countries who you are allied with and the time has come for you to bring them to account. Leaders and armies are the ones who should do this.

**O Leaders!** You cannot overcome these problems by staying allied with colonialists! You will not be able to be successful unless you give your back to the Muslims and trust in Islam without a shred of a doubt. Look, colonialist America is surrounding you with Iran step by step. First Iraq and now Syria is being taken over by them. Those who support PYD and PKK, who gave supplies and weapons before your eyes are, them. Also your other European allies are using PKK against you and openly support them. For the love of Allah when will you see these truths and do what is necessary? How much more innocent people has to die? Do not forget that if Mosul falls, Diyarbakir will fall and if Aleppo falls Antep will fall. If you do not protect your Muslim brothers today, our situation tomorrow will not be much different from them. Hizb ut Tahrir / Wilayah Turkey is warning you before both Muslims and our lord. «إِنَّ هَذِهِ تَذَكُّرَةٌ فَمَنْ شَاءَ اتَّخَذْ إِلَىٰ رَبِّهِ سَبِيلًا» **“Indeed, this is a reminder, so whoever wills may take to his Lord a way.”** [Al-Muzzammil: 19]
